are you interested in advaita and want to become enlightened how should you go about it what  
 will happen if you do how can you know what works and what doesn't in particular how should  
 you go about finding a teacher what books should you read author dennis waite answers all  
 these questions and more having communicated with many teachers and seekers over the  
 past 25 years accumulated around 1500 books on advaita and written more than 10 books  
 himself in these pages you will learn how to identify false teachers by spotting irrelevance  
 pitfalls fallacies and mystical mumbo jumbo you will be warned against grandiose marketing  
 claims spiritual catchphrases unclear language and poetry and why you should be wary of  
 various transcriptions and translations for instance the styles of neo vedanta neo advaita  
 direct path and satsang in general are compared with the original traditional teaching and the  
 relative values of scriptures psychology social media and even ai are investigated an attempt  
 has been made to research all living teachers and organizations that claim to be teaching non  
 duality in the west and establish whether it is really advaita do they help you to seek the self or  
 are they simply self seeking
