she d done more to belittle undermine and scar me with her ten years of scorn and hatred than starling with his brutal physical batterings or any of the others with their attempts at forced sexual contact but no one gets jailed for what they say even when it amounts to deliberate mental torture as paul connolly struggled to leave behind his painful humiliating childhood in the notorious st leonard s children s home the ghosts of his past would not let go the paedophiles and sadists had damaged so many kids some had died from suicide or heroin others like paul had emerged battered and illiterate to try to find a place in the world when a fall from a roof shattered his boxing ambitions he survived in a brutal underworld of routine violence before eventually building a career as a celebrity fitness trainer working with the stars of fashion and film after against all odds became a surprise bestseller everything changed for paul he found himself speaking at the house of lords appearing on tv and getting involved in projects with abused kids and illiterate adults but a rare heart infection almost killed him and the old demons still haunted him four years later paul has made a new world for himself centred on his young family and a successful training business that mends broken bodies builds confidence and changes lives for the better his story is a remarkable tale of endurance and survival vivid disturbing but ultimately uplifting as the beaten child who was once told you re rubbish you ll never be worth a thing becomes a man with the heart to love live and embrace the future

beginning with the spectacle of hysteria moving through the perversions of fetishism masochism and sadism and ending with paranoia and psychosis this book explores the ways that conflicts with the oedipal law erupt on the body and in language in chaucer s canterbury tales for chaucer s tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge word and flesh rule books and reason man and woman same and other conflicts that erupt in a macabre sprawl of broken bones dismembered bodies cut throats and decapitations like the macabre sprawl of conflict in the canterbury tales this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of shadow chapters that speak to or against the four central chapters creating both dialogue and interruption
