nathan bartlett is a trailblazer not because he follows established routes in the white mountains or on kauai or on mt desert island but because he explores and then follows that inner path that tells him who he is and how he relates to the world around him forging his path doesn t mean he finds all the answers it means he identifies the questions that matter in on chocorua nathan begins his journey as a college freshman he makes a life long friend feels the pain of losing a lover to addiction and loses his adored older brother neil in a tragic accident although nathan steps figuratively into the hiking boots neil can no longer wear he can t leave behind him the guilt he feels that he didn t know neil or his other family members as well as he d thought he also can t seem to find the sense of being loved the sense of belonging that neil had given him no matter how many mountain peaks he claims no matter how deep the existential forgiveness he feels hiking on the island of kauai on the kalalau trail he s had his fill of relationships that go nowhere of men who ve led him astray emotionally and on the mountains he climbs in memory of neil

then in on the precipice nathan meets drew madden a true mountain man who fell from a cliff and now uses a wheelchair nathan s relationship with drew helps him realize he s been looking for himself in all the wrong places and guides him toward his own personal trail which includes a career in addiction recovery nathan is a trailblazer on his own journey and his success will be measured not by how well he follows someone else s path but by whether he can forge his own walk with him
