to reflect the development and history of education in hong kong the author has collected a wide range of fascinating and illuminating material from different sources and wherever appropriate has included his own commentaries the book will be a valuable source of reference for educationalists and others who are interested in the development of education in hong kong

this book provides a comprehensive overview of the organization problems issues and prospects of the civil service in hong kong it examines the origin and development of the civil service efforts to deal with the changes before and after the transition and the process of managing public services with references to its changing role and responsibilities the book will be of interest to academics

civil servants professionals and students as well as researchers interested in the role of civil servants in changing societies and can be used for teaching courses on public administration and asian studies

the forms of discipline range from physical abuse to intrusive regulations including restrictions on hair length and the prohibition of lipstick

jan currie carole j petersen and ka ho mok draw upon interviews with academics and university administrators to examine two historical incidents that led to a strengthening of academic freedom in hong kong as well as to legal and political ramifications that continue to reverberate this book will interest scholars of east asia and academics in universities around the world where freedom of expression is threatened in this time of heightened security

hong kong and macao have much in common the dominant populations in both territories are cantonese speaking chinese both are small in area both are urban societies both have been colonies of european powers and both have undergone political transition to reunification with china yet in education for reasons that are analysed in this book they are very different the patters of similarities and differences in the two territories make a fascinating basis for comparative study the overarching theme of the book on continuity and change is particularly pertinent following the transition of the two societies of the postcolonial era this thoroughly revised and expanded second edition builds on the widely acclaimed first edition the work has been recognised as a significant contribution to the broad field of comparative education as well as to study of the specific societies which are its main focus

discursive change in hong kong sociopolitical dynamics metaphor and one country two systems is an interdisciplinary study of

sociopolitical and discursive change in hong kong a westernized chinese society once under british rule now decolonized but without independence and with a constitution promising universal suffrage sometime in the future starting off with interesting and frequently contradictory debates surrounding the discussions on the handover of hong kong to mainland china jennifer eagleton provides a stimulating politically well informed and comprehensive insider account of many aspects of the press media and official discourse on democracy and political change in hong kong as part of one country two systems the book shows how historical cultural and identity issues have shaped and molded post 1997 political discourse and how the seemingly dramatic changes in the city since 2020 may not have been that surprising for long term observers of hong kong by going beyond consideration of the purely linguistic dimension of the selected texts to encompass the larger historical and socio political context and incorporating textual discursive and metaphoric analysis over time this book provides a detailed examination of hong kong political discourse and its constituent themes

an encyclopedic view of doing business with hong kong contains the how to where to and who with information needed to operate internationally

this title was first published in 1992 explores the implications of the transfer of sovereignty over hong kong in 1997 to the people s republic of china and the political economic and cultural impact of the social transition on education

this book analyses central questions in the continuing debate about success factors in corruption prevention and the efficacy and value of anti corruption agencies acas how do acas become valued within a polity what challenges must they overcome what conditions account for their success and failure what contributions can corruption prevention make to good governance and in what

areas might they have little or no effect on the quality of governance with these questions in mind the authors examine the experience of hong kong's independent commission against corruption icac widely regarded as one of the few successful examples of an aca the book is grounded in an analysis of icac documents and surveys the authors survey of social attitudes towards corruption in hong kong and interviews with former officials

this book examines the government of hong kong since its handover to mainland china in 1997 focusing in particular on the anti government mass protests and mobilisations in the years since 2003 it argues that hong kong has been poorly governed since transferring to chinese rule and that public frustration with governmental performance including anti subversion laws and slow democratisation has resulted in the regular and massive protests which have been rare in hong kong's past political development the book then assesses different explanations for hong kong's government problems including lack of social cohesion incomplete economic restructuring structural budgetary deficit severe social inequality intensifying cronyism and deficiencies within the political system itself it goes on to discuss the implications of poor governance for legislative elections civil society and constitutional development and considers the prospects for the future it argues that although in the short term the hong kong government has managed to maintain its popular support ratings in the longer run it is unlikely to be able to maintain its legitimacy in dealing with the fundamental challenges of government unless the current system is replaced by popular election of the government with appropriate institutional capacity and political powers

derived from the renowned multi volume international encyclopaedia of laws this very useful analysis of constitutional law in hong kong provides essential information on the country's sources of constitutional law its form of government and its administrative

structure lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations the discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists lawyers representing parties with interests in hong kong will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law

this book examines important social movements in hong kong from the perspectives of historical and cultural studies conventionally regarded as one of the most politically stable cities in asia hong kong has yet witnessed many demonstrations and struggles against the colonial and post colonial governments during the past one hundred years many of these movements were brought about in the name of justice and unfolded against the context of global unrest focusing on the local developments yet mindful of the international backdrop this volume explores the imaginaries of law and order that these movements engendered revealing a complex interplay among evolving notions of justice governance law and order and cultural creations throughout the under explored history of instability

in hong kong underscoring the apparently contrasting discourses on the relationship among the rule of law law and order and social movements in hong kong the contributors emphasise the need to re examine the conventional juxtaposition of the law and civil unrest readers who have an interest in asian studies socio political studies legal studies cultural studies and history would welcome this volume of unique interdisciplinarity

this book offers a comprehensive overview of out of school ethnic minority young people in hong kong the focus is on the extent of the phenomena reasons behind it and a description of out of school life employing qualitative research methods and adopting a case study approach that involved fieldwork comprising 15 in depth interviews and 2 observations with 11 out of school ethnic minority young people this book provides detailed insights into the phenomena information gained from an additional 22 in depth interviews with 20 other stakeholders related to ethnic minority education from time spent at three schools and key document analysis are also incorporated drawing on critical race theory this book presents a critical discussion of the out of school issue for ethnic minority young people in a privileged chinese context

this volume offers a view of the linguistic situation in hong kong in the final years of the twentieth century as it enters the post colonial era in the chapters of this book scholars from hong kong and around the world present a contemporary profile of chinese english and other languages in dynamic interaction in this major international economic centre authors survey usage of different languages and attitudes towards them among students teachers and the general population based on census data newspapers language diaries interviews and questionnaires they address issues of code mixing the shift from english medium to chinese medium education the place of putonghua in the local language mix and the language of minority groups such as hong kong indians this wide ranging group

of original studies provides a social and historical perspective from which to consider developments in language among the past present and future populations of hong kong
