what is the role of design research in the types of insight and knowledge that architects create that is the central question raised by this book it acts as the introductory overview for ashgate s major new series design research in architecture which has been created in order to establish

a firm basis for this emerging field of investigation within architecture while there have been numerous architects scholars since the renaissance who have relied upon the interplay of drawings models textual analysis intellectual ideas and cultural insights to scrutinise the discipline nonetheless until recently there has been a reluctance within architectural culture to acknowledge and accept the role of design research as part of the discourse however in many countries around the world one of the key changes in architecture and architectural education over the last decade has been the acceptance of design as a legitimate research area in its own right and this new series provides a forum where the best proponents of architectural design research can publish their work this volume provides a broad overview on design research that supports and amplifies the different volumes coming out in the book series it brings together leading architects and academics to discuss the more general issues involved in design research at the end there is an indicative bibliography which alludes to a long history of architectural books which can be seen as being in the spirit of design research

i used to think everything was black and white truth or lie easy or hard that if i could just escape my strict overbearing abusive father my life would be perfect but since i ve found a reason to risk his wrath and leave to help a friend in need i ve come to realize everything i thought i knew is wrong friends have their own agenda honesty comes with a dosage of lie easy doesn t even exist keeping secrets sucks and love love is the most painful thing of all maybe if quinn hamilton hadn t asked me to skip classes for the day and help him pick out an engagement ring for my best friend i wouldn t have fallen for him so completely on that sunny tuesday afternoon and i wouldn t feel so conflicted but i did and i can t take it back no matter how hard i try so i have to deal with the fact that even i m not as good or honest or caring as i d always thought i was and no matter what i do next someone s going to get hurt probably me zoey blakeland
