que investigadores da península ibérica estudem a história de roma poderá não constituir admiração porque os romanos estiveram lá há vestígios das suas cidades subsistem inscrições a dar conta de nomes de pessoas e de divindades poderia porém estranhar se que a américa latina assistisse cada vez mais a redobrado interesse pelo que aconteceu nessas remotas eras não é de admirar a identidade de cada um dos países postula o reencontro das suas raízes e essas estão não há dúvida nas margens mediterrânicas temos pois ementa bem recheada e variada opiparamente servida por mais

de uma trintena de investigadores provenientes de universidades do brasil da argentina de portugal do méxico uruguai chile espanha fecunda e diversificada panorâmica esta em que a arrumação temática vivifica o já de per si variegado cromatismo do mosaico toda a documentação da mais variada índole é pois chamada a intervir para traçar uma perspectiva abrangente tanto no espaço como no tempo pois que por aqui perpassa toda a antiguidade clássica grécia e roma desde o oriente ao ocidente desde uma corinto arcaica ao papel desempenhado pelos vândalos na transição entre a antiguidade e o feudalismo as manifestações artísticas mesmo que em singelos artefactos cerâmicos revelam perspicaz olhar sobre a realidade circundante uma das características a meu ver da investigação sobre história antiga na américa latina reside no recurso às fontes literárias cuja análise entusiasma dado que aí inclusive se experimentam aplicações de teorias sobre a história e a sociedade aliás não surpreende a influência do quotidiano agora global identidade e confronto o local versus o global o pragmatismo do concreto contra a aparente inutilidade da abstracção e essa misteriosa simbiose entre os poderes político económico militar e religioso sentimo la intensamente nos nossos dias mais ou menos evidente aqui e além the fact that iberian researchers study the history of rome is not too surprising as the romans were in iberia and the remains of their cities people and gods can be found all over the peninsula however it might at first sight seem surprising that latin america should show much interest in what happened in those remote times yet each country forges its identity by searching for its roots and theirs were undoubtedly on the shores of the mediterranean thus we have a very long and varied menu abundantly served by over thirty researchers from universities in brazil argentina portugal mexico uruguay chile and spain this is a very fertile and diversified panorama in which a very colourful mosaic is enlivened by thematic unity the volume draws upon a great range of documentation to trace a broad perspective in space and time covering the whole of classical antiquity greece and rome from east to west from archaic corinth to the role played by the vandals in the transition between antiquity and feudalism it also considers artistic manifestations such as ceramic artefacts to shed light upon the way the surrounding reality was perceived one of the characteristics of ancient history research in latin america lies in its recourse to literary sources which is enthusiastically analysed using theories about history and society unsurprisingly we also see the influence of daily life now global identity and confrontation local versus global the pragmatism of the concrete versus the apparent uselessness of abstraction what about that mysterious symbiosis between political economic military and religious powers we feel it intensely nowadays more or less evident here and there
