dr richard sauder s second book underwater and underground bases is an explosive eye opening sequel to his best selling underground bases and tunnels what is the government trying to hide dr sauder lays out the amazing evidence and government paper trail for the construction of huge manned bases offshore in mid ocean and deep beneath the sea floor bases big enough to secretly dock submarines official united states navy documents and other hard evidence raise many questions about what really lies 20 000 leagues beneath the sea many ufos have been seen coming and going from the world s oceans seas and lakes implying the existence of secret underwater bases hold on to your hats jules verne may not have been so far from the truth after all dr sauder also adds to his incredible database of underground bases onshore new breakthrough material reveals the existence of additional clandestine underground facilities as well as the surprising location of one of the cia s own underground bases plus new information on tunneling and cutting edge high speed rail magnetic levitation maglev technology there are many rumors of secret underground tunnels with maglev trains hurtling through them is there truth behind the rumors underwater and underground bases carefully examines the evidence and comes to a thought provoking conclusion

underground worlds unearths the hidden history beneath our feet exploring subterranean cities tunnels and bunkers that reveal human resilience these aren t just holes in the ground they re testaments to survival strategies like the ancient city of derinkuyu built to withstand external threats and cold war bunkers reflecting anxieties of a nuclear age from architecture to history the book examines the motivations and ingenuity behind these constructions showcasing how societies have adapted to adversity throughout time the book s approach bridges history archaeology and architecture to understand human motivations rather than simply cataloging structures examining wartime tunnel systems like the cu chi tunnels the

book analyzes their strategic role in military campaigns progressing chapter by chapter the book moves from ancient cities to modern survival bunkers revealing how underground spaces reflect broader societal trends and anxieties

the robots were made under the direction of demons who possessed people then the demons inhabited the robots we who still felt we were alive not just simply meat bags to serve the machines gathered under the city to plot our rebellion seeking ways to take out the robots before they took us all out i had a mission find the man with the robot destroying weapon and help him to save humanity

a self driving car gives an older man a new found freedom in more ways than one a short sci fi fantasy story

the caveman abducted from earth doesn't understand the ark like spaceship holding him captive the vast ship with its own ecosystem and self aware a i is from the watchers energetic beings who are the guardians of life it has been sent on an intergalactic rescue mission to preserve life forms and their dna from disasters both natural and created the ship detected an energy shield being constructed around the young earth by an unknown force unsure it will be able to leave earth after its sampling mission the ship continues its mission is too important not to try even if it means being trapped inside the barrier never to return to the planet of the watchers with its precious cargo of life but the ship and earth's life forms are not alone the servants of the dark one a powerful evil entity have arrived to begin their corruption of the pure beings they find these ancient forces of good and evil fight a galaxy spanning war through time and space on many fronts through many civilizations the watchers must defeat the dark one or all life in the universe will perish earth plan is a science fiction fantasy novel of over 100 000 words

a journey through disturbing yet crucial matters that must be considered prior to end times and christ's return this second volume takes a different approach from the first it is a journey not a pick and choose buffet it begins by taking the reader where the first volume left off down the rabbit hole the journey concludes in confronting the lds reader with a crucible wherewith one's faith and trust in christ and in christ alone will be put to the ultimate test there are save two churches only which one does your everyday mindset and your personal and professional choices testify that you are a member of what is the foundation upon which you anchor your sacred testimony how close how intimate how cherished is your relationship with jesus christ if you are not prepared to answer these questions with full conviction of heart then you are not ready to contemplate the contents of this book

a struggling writer working a dead end office job encounters his doppelganger his double from another time and space in a portal that appears in reflective surfaces the man shows him amazing glimpses of the future the mysterious stranger is who he might become one day if he dares to follow through with what the weird man says a short story it's a great story comment from a longtime reader

it was just before halloween and weird scary clowns had been spotted around the small college town of ferndale actually clowns had been spotted around many college and university campuses lately and they were deadly a short halloween story

the word occult means nothing more than to study the realm of the hidden so much of real knowledge and wisdom is disguised because the people who run the planet feel that true information as to how the world works is something the sheeple should not be informed about but truth always resonates beyond esoteric takes off the kid gloves and exposes the nefarious control grid extending its tentacles across the planet

go behind the scenes into little known corners of the public record and discover how corporate america has worked hand in glove with the pentagon for decades dreaming about planning and actually constructing secret underground bases and newly uncovered information indicates that the strangeness continues with bizarre high tech gadgets like portable hand held surgical lasers and injectable electronic ids as small as a grain of rice

the most important secrets that have been kept from the general public will now be exposed in this book in this publication i uncover a myriad of mysteries and uncomfortable truths about the world we live in it s time to get up and do something revolutionary to stop the evil that has been torturing us for decades this book tells you everything you need to know about the universe from secret societies and hidden agendas to extraordinary phenomena in the most in depth and evidential way possible it also gives you warnings about both upcoming and past events we now live in a period when the truth is more disturbing than a lie

this book reveals bothersome details about conspiracy extraterrestrials fascism free energy freemasons hidden technology history income tax jesuits khazarians one world order suppressed inventions energy devices

on may 9 2001 the disclosure project hosted a major event at the national press club in washington d c this historic event had witness testimony from twenty to twenty five military intelligence government and corporate individuals involved with ufo projects over the past fifty years who presented their information before a worldwide group of media correspondents those of us who were military witnesses of ufo history showed official government documentation with detailed testimony our focus was and is on the facts and documents our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry we who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants we need to declassify the advanced electromagnetic propulsion systems in use by the secret government start producing them for the world to use and thereby help save this planet the people who had been employed in agencies within the military and knew the truth about ufos were sworn to secrecy now i am finally relieved to speak the truth we military men who hold on to this knowledge are getting old and dying and we want the truth to come out we will either do it ourselves or leave it for our children and wives to do personally i have told those on capitol hill that i am being led to do it by the aliens themselves they have convinced me that it is time they have been waiting on the government and if the government does not come forward with the truth then the aliens will take a more public role in disclosure

although a short read of only seven chapters in his first book debut hats will go down in history as the most informative and controversial book in modern times as a pure blooded artist author warrior and philosopher born and raised in the great state of colorful colorado j l

morales delivers a beautifully articulated and clear rendition of the most confusing and exciting time to be alive in history from someone who lived and fought through the battlefield tearing the lid open on what will come to be known as the mother of all conspiracies when human trafficking reached an industrial scale j l morales gives you a bird s eye and fly on the wall view of the first ever secret military and civilian joint operation to eradicate pure evil from the earth and save the human race from tyranny and extinction while most of the human population just slept right through it although fearing for his life in writing this book j l morales believes any price is worth paying to get the suppressed truth out to we the people while avoiding all the political jargon hats gives you an in depth understanding of why the world has never been the same since the unforgettable year of 2020 as well as just how much humans have been deceived throughout human history covering everything from the civil war the titanic 9 11 covid 19 and even ai hats is fully intended to empower the patriots wake up the sleeping and will be the quintessential history book to educate future generations about this legendary and biblical time that their parents and grandparents lived through which side of history are you on are you ready to finally escape the matrix and learn the truth about the real world when everything was fake but be warned because this is not just another book and will likely shift your paradigm and blow your mind there is one spoiler for this book god wins

mr unknown gives an introduction to the mib files he has collected these are stories of the paranormal strange things and ufo sightings with one thing in common interactions with the men in black mib disclaimer not connected with the movie series these are tales of the men in black that predate the film series also see mib files ufo in the city mib files strange dreams and more now out

1986 a nuclear reactor is in meltdown behind the iron curtain letting off intense radiation a solider goes into the contaminated zone to help with the clean up but gets something more demonic than a dose of radiation the mib files are stories of the paranormal strange things and ufo sightings with one thing in common interactions with the men in black mib these stories are stand alone and can be read in any order disclaimer this is an original work not based in any way on the popular movie series men in black this story takes its inspiration from the real life accounts of the men in black mib that were reported decades before the films were made it makes no reference to the films their plots settings or characters or any of their ancillary properties whatsoever

bob the security guard purchases a bathmat that has a rather strange pattern on it when he steps on it a portal opens to another world filled with history myth and magic will bob get home in time for his next shift will he get home at all a sf fantasy short story series all 3 parts are collected here in one edition includes a sample of the novel brainjob by the author
