this edited volume examines the group dynamics of social reconciliation in conflict affected societies by adopting ideas developed in social psychology and the everyday peace discourse in peace and conflict studies the book revisits the intra and inter group dynamics of social reconciliation in conflict affected societies which have been largely marginalised in mainstream peacebuilding debates by applying social psychological perspectives and the discourse of everyday peace the chapters explore the everyday experience of community actors engaged in social and political reconciliation the first part of the volume introduces conceptual and theoretical studies that focus on the pros and cons of state level reconciliation and their outcomes while

presenting theoretical insights into dialogical processes upon which reconciliation studies can develop further the second part presents a series of empirical case studies from around the world which examine the process of social reconciliation at community levels through the lens of social psychology and discourse analysis this book will be of much interest to students of peacebuilding conflict resolution social psychology discourse analysis and international relations in general

single session therapy by walk in or appointment is based on the idea that one session is often all a client will need and choose to attend the option of a single session responds to the growing need for greater accessibility and responsiveness of mental health services with considerable data supporting both the demand for and the effectiveness of walk in and by appointment single sessions the field is expanding rapidly this book includes many clinical examples and cultural nuances as well as discussions of recent research training and supervision and implementation and administrative arrangements this is an essential title for clinicians program developers and policy makers interested in providing the effective client responsive economic option of one at a time single session therapy on a walk in or by appointment basis

a listing of medical practitioners registered with the general medical council includes england scotland wales and northern ireland data includes name address degrees colleges appointment memberships and publications also contains information on united kingdom hospitals nhs trusts and boards of health

the covid 19 pandemic has changed the face of international and domestic tourism and sharply focused attention on the importance of tourist health safety and wellbeing like never before this book offers a unique perspective on the challenges facing the world s largest service industry to protect and care for customers in a rapidly evolving environment where borders have closed social distancing rules apply and personal hygiene has become a key focus in everyday life yet tourism is a very resilient industry and history shows there is always an immediate surge toward recovery after a crisis has passed humans want to travel and see the world while we appreciate that the pandemic is far from over already there are reports of pent up demand for travel as restrictions ease at some destinations and borders begin to open as we move hopefully toward the recovery phase and people begin to move around for business and pleasure this book presents the reader with key information and insights in both traditional and emerging areas of tourist health safety and wellbeing recognising that the world is now shaped by this pandemic bringing change potentially enduring benefits and lasting legacies

this book presents post peace agreement violence as a serious yet predictable and manageable political phenomenon negotiating an end to a civil war is extremely

difficult and many signed peace agreements subsequently unravel ushering in renewed conflict in response important international actors have become increasingly involved in conflict mediation peacekeeping and post conflict reconstruction around the globe policymakers and scholars alike have identified spoilers violent actors who often rise up and attempt to challenge or derail the peace process as one of the greatest threats to peace using a mixed method approach combining quantitative and qualitative analyses of a newly created global dataset of spoiling reiter demonstrates that this type of violence occurs in predictable circumstances and only represents a threat to peace under specific conditions the book also shows that spoiling often serves to bring agreement flaws and implementation failures to light and in turn forces actors to recommit to an accord thereby strengthening peace in the long term

many of the deep rooted human conflicts that seize our attention today are not ready for formal mediation and negotiation people do not negotiate about identity fear historic grievance and injustice sustained dialogue provides a space where citizens outside government can change their conflictual relationships governments can negotiate binding agreements and enforce and implement them but only citizens can change human relationships governments have long had their tools of diplomacy mediation negotiation force and allocation of resources harold h saunders a public peace process provides citizens outside government with their own instrument for transforming conflict saunders outlines a systematic approach for citizens to use in reducing racial ethnic and other deep rooted tensions in their countries communities and organizations
