this book represents an introduction to spirituality and various psychic phenomena such as reiki, dreams, religion and spiritual healing etc. This book also attempts to establish comprehensive understanding of these complex phenomena which are usually linked with spiritual experiences while trying to unfold some mysteries. This book serves as a chance for contemporary researchers to explore the research areas to fulfill the gap written by substantial writers. This book puts these less focused aspects altogether to provide them a platform for further research.

How can we take history seriously as real and relevant despite the hazards of politically dangerous or misleading accounts of the past? We live our lives in a great network of cooperation with other actors past, present and future. We study and reflect on the past as a way of exercising a responsibility for shared action.

in each of the chapters of full history smith poses a key question about history as a concern for conscious participants in the sharing of action starting with what is historical meaningfulness and ending with how can history have an aim constructing new models of historical meaning while engaging critically with perspectives offered by ranke dilthey rickert heidegger eliade sartre foucault and arendt smith develops a philosophical account of thinking about history that moves beyond postmodernist skepticism full history seeks to expand the cast of significant actors establishing an inclusive version of the historical that recognizes large scale cumulative actions but also encourages critical revision and expansion of any paradigm of shared action
