big blond and a goal scoring machine kerry dixon delighted chelsea and england fans during the 1980s yet his fall from grace from the pinnacle of a playing career that had few equals has been by his own admission spectacular kerry's life in recent years has been bedevilled with problems with gambling drugs and worst of all a prison sentence in 2015 after he was convicted of grievous bodily harm following a fight in a pub at that point one of football's golden boys finally hit rock bottom this book is the honest unflinching account of his rise and fall and of the new life he is now slowly and patiently building his memories of playing in a more robust era of the game before the days of multi million pound salaries and all the rest of the modern football circus will appeal to plenty of nostalgic football fans as well as to all those who remember him as one of the game's all time greats equally his unflinching recollections of his darkest days culminating in his time in prison are about as far from the beautiful game as anyone can imagine and as fascinating as they are sometimes uncomfortable in the end however his stunningly successful career at chelsea has ensured that he remains loved by fans despite his troubles the world is all too familiar with tales of once famous sportsmen and women falling from grace kerry dixon's story however is unique at once for its flashes of humour in adversity its clear eyed reflections on a different age of football when leading players could all too easily be treated as disposable and for its humility for kerry dixon as this often moving autobiography shows the only way is up with a foreword by frank lampard and contributions from harry redknapp and pat nevin

jimmy case is best remembered for a spectacular fa cup final goal and a deserved reputation as one of football's genuine hard men but that does scant justice to a career that covered more than 700 appearances for 7 league clubs and did not end until he retired through injury at the age of 41 raised on merseyside jimmy began at his beloved liverpool becoming a key player in the all conquering team of the late 1970s alongside stars like kevin keegan john toshack ray clemence phil thompson kenny dalglish and his two great mates tommy smith and ray kennedy at anfield where he was signed by bill shankly and guided by bob paisley jimmy won a boxful of medals four league titles three european cups plus a host of other domestic honours which tell the truth about jimmy case that he had much more than a tough tackle and a ferocious shot as the man himself says you couldn't get in that liverpool team if you couldn't play his ambition was to play his entire career at liverpool but fate sent him on a different route to brighton where he almost won the fa cup to southampton where he played more than 200 games to bournemouth halifax wrexham and a single outing for darlington along the way he came up against players like andy gray graeme souness david speedie graeme sharp and norman whiteside often with painful results packed with incident and anecdotes usually funny but occasionally sad this is the story of jimmy case a true football legend
