monthly current affairs magazine from a christian perspective with a focus on politics society economics and culture

in periods of recession churches frequently respond to social need in practical ways these responses are often driven by pastoral concern rather than a theology of church and society but without theological roots such social action can be vulnerable and episodic this volume commissioned by a group of bishops in hard hit dioceses looks to develop strong theological foundations for local social action initiatives by churches especially for activists who are not familiar with the church of england s tradition of social theology developed by william temple and others a century ago in exploring what a renewed anglican social theology might look like this also draws on the impact of catholic social teaching and focuses on the core topics of multiculturalism economics family patterns ecology and other key issues

there are insidious forces threatening to shape people s lives in ways that may or may not meet with their approval and certainly do not meet with god s the ultimate judge over many centuries it has been common to name these radical forces as the world the flesh and the devil this book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them

what does it mean to be gay and a christian beginning with how the bible describes the church author nate collins outlines a vision for community life that challenges christians to examine obstacles that inhibit spiritual unity this new vision calls straight and non straight believers alike to patterns of christian obedience that respect and honor their similarities and differences in addition collins

provides a theological framework for understanding how genesis 1 2 describes both gender and sexuality he then unpacks biblical concepts like desire lust and temptation and applies them to modern constructs like sexual attraction and orientation collins explores the theme of identity focusing on facets of personal identity that are central to the experience of christian gender minorities he looks at what scripture says about the formation and function of christian identity highlighting several theological and sociological tensions collins writes for believers who have a traditional sexual ethic and provides a compelling vision of gospel flourishing for gay lesbian and other same sex attracted individuals

english evangelicals give the appearance of being a community at war with each other and with the world around them the issue of homosexuality is one of the key battlegrounds how has this issue become so significant to evangelicals why is it provoking such violent responses how is it changing evangelicals and what might this mean for the future this book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of rene girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism the conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future the scandal of evangelicals and homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost it offers a window into contemporary english evangelicalism and provides an important contribution to international and ecumenical debate

ethical interpretations meet real life case studies and readings explore divergent views on morals in action

handbook of the militant christian latin enchiridion militis christiani which has also been translated as handbook of a christian knight and the manual of a christian knight is a work written by dutch scholar desiderius erasmus of rotterdam in 1503 first published in english in 1533 by william tyndale this is the 1962 english edition by john patrick dolan during a stay in tournehem a castle near saint omer in the north of modern day france erasmus encountered an uncivilized yet friendly soldier who was an acquaintance of battus erasmus close friend on the request of the soldier s pious wife who felt slighted by her husband s behaviour battus asked erasmus to write a text which would convince the soldier of the necessity of mending his ways which he did the resulting work was eventually re drafted by erasmus and expanded into the enchiridion militis christiani the enchiridion is an appeal on christians to act in accordance with the christian faith rather than merely performing the necessary rites it became one of erasmus most influential
