why getting results should be every nonprofit manager s first priority a nonprofit manager s fundamental job is to get results sustained over time rather than boost morale or promote staff development this is a shift from the tenor of many management books particularly in the nonprofit world managing to change the world is designed to teach new and experienced nonprofit managers the fundamental skills of effective management including managing specific tasks and broader responsibilities setting clear goals and holding people accountable to them creating a results oriented culture hiring developing and retaining a staff of superstars offers nonprofit managers a clear guide to the most effective management skills shows how to address performance problems dismiss staffers who fall short and the right way to exercising authority gives guidance for managing time wisely and offers suggestions for staying in sync with your boss and managing up this important resource contains 41 resources and downloadable tools that can be implemented immediately

when the master said this fang tianbao was walking out of the detention center burping she s only two months old how fat can she be master you re such a fool i told you dinner is served at 9 30 why did you come here at 7 fang tianbao was holding a large pile of things in his hands toothpaste a toothbrush a washbasin a face towel and even sausages given by his cellmates he held a cigarette between his lips and nodded to the armed police at the door

here are five reasons why you should read and practice what i tell you in this book 1 desire you should want to save a decade ten years of your working life by believing what i tell you in this book about getting experience now and avoid the slow learning process of the past 2 value you should want to receive the highest reward however you measure it for the remainder of your working life 3 audience anyone regardless of age gender or profession can add the principles in this book to their current skill set 4 basis i ve seen a lot of good and bad work practices and worked in several industries in fifty four countries so have some faith and trust that i know what i m talking about in this book 5 gender neutral i had to write this book from a male perspective but if you can find a masculine pronoun in this book other than in the context of an anecdote i ll send you a free copy of this book morals and ethics are the most important things you must possess you must make the switch from competition to cooperation collaboration when you leave school and start working you must learn how to work and coexist with many different kinds of people you must learn how to observe listen think and ask questions you must learn how to solve problems you must learn why organizations have policies and procedures you must learn why every company needs a jesus you must learn

how to travel you must learn how to talk in front of a group of people

behaving like a manager means having command of the whole range of management skills and applying them as they become appropriate herbert simon most of the books written to date are related to leadership but there are hardly any books for managers a business does not run with leaders only it requires effective and efficient managers also the first and foremost step for becoming a star manager is to think big and have a vision in front of you this vision should be aligned to your organizations overall vision working with team can only help us in achieving our vision therefore it is extremely important for you to create a winning team and receive the best from your team but managing a team effectively efficiently and achieving best collective effort from your team is a skill as a manager it is essential that you have this skill the function of this book is to teach you this skill by sharing tools techniques and theories alongside practical experiences in real world situations besides helping budding managers this book can be a handy guide for seasoned managers also as it will refresh the learning they had in due course of time

are you ready to change your world transformation begins with awareness soulwork 101 provides enlightening articles and exercises that encourage self growth contains new concepts old ideas and intriguing questions
