in a tragic instant in 1998 my relatively normal world as a mature man family provider and wage earner christian husband and father changed drastically but also my god changed or at least my perceptions and expectations of god and life in general were severely shaken the world i went to bed with was not the world i awakened to early the next morning to learn that my only daughter was dead the emotions that engulfed me were then and are to this day unfathomable emotions pain doubt anger and many other religious and interpersonal struggles that i ve called bitter grief the faith and religion that i had depended on and expected to provide strength understanding and comfort for most of my fifty four years in such a situation were now very quickly major parts of my problem simplistic efforts to console and explain to ease my pain to answer my questions just angered me and aggravated my bewilderment eventually this book emerged at first from the relentless conflagration of emotions and distress that first started their expression as a journal stressing my need for meaningful support and empathy following the open surprise bewilderment and guilt ridden feelings of divine betrayal that gripped me after my only daughter was killed in a tragic one vehicle accident the total impact that my daughter s death had on me was finally confirmed sixteen years later following the unexpected death of my eldest son this book recalls and reflects my personal experiences of dealing with bitter grief and as a whole describes my feelings actions and even my very questionable thinking from that traumatic beginning the sometimes dark and unthinkable emotions and reasoning that followed my child s death not as i had expected that i should have or would have felt or thought but as i actually did feel and think triggering the overwhelming need to ask endless questions and then seek to understand i had to ask and continue to ask why until i understood well enough to again be at peace with god why is perhaps the most fundamental question of life why does anything exist and especially why does life exist if there is a creator god who loves us why do pain and suffering exist and i now realized that if one s religion and faith don t satisfactorily address the problem of severe human suffering and horrific tragedy then they must lack the capacity to

interpret the human experience or to provide a realistic or adequate world view thus i had to ask why questions that reached well beyond the deaths of my children for the first time i had to step outside of my now crumbling former religious comfort zone to consider my tragic and bitter losses and god s role in my losses and his role in all the other terrible pain suffering and death that exists in the world i had to ask myself very difficult questions and try to understand why the harsher and horrific things of life happen but more specifically why jodi why me and why now i ve tried to honestly consider why life often seems so unfair but this was a surprisingly difficult thing to do to seriously question the things i had come to believe and to expect from life and from god and then sixteen years later by god s sovereign choice i got a second chance to look at and reassess why following the death of my eldest son brian this book is also in some sense a lament and a chronicle though somewhat topical and not strictly chronological of my life as a distraught bereaved parent transitioning by means of bitter grief and sorrow to some new more stable normal under the sovereign leading of god as must others who also suffer bitter grief this book is the story of my life since april 23 1998 my experiences successes and disappointments and i hope they will be of value to you as you deal with your own bitter grief and or try to help others cope with theirs

when tragedy strikes and violent death hits families the children are the unseen victims sadness beyond belief usually goes unnoticed children don t have all the words to express the fear the emptiness and the awful way they feel it never gets better it gets different

timmy and his pet lizard joe are sitting at the beach one day when suddenly something wet and sticky drops from the sky and lands on timmy s head why did the osprey poop on my head is a light hearted story about a young boy who knows that god is good but questions why bad things happen this delightful story will appeal to children and parents alike this is an elive book meaning each printed copy contains a special code redeemable for the free download of the audio version of the book

this book is for jews and christians jesus said salvation is of the jews john 4 22 and in revelation 14 12 jesus tells us that we must keep the commandments of god have the faith of jesus the jewish jesus told us to keep his teachings and he said unless we do we will never see eternal life i will compare the jewish faith and the christian faith to see which one best complies with jesus teachings it will then be evident to you that most christians are not saved according to jesus criteria but biblical jews are i know that s a bold statement but jesus said if we don t keep his teachings we are not saved i always thought that salvation was of the christian faith but jesus said salvation is of the jews now i know what he meant and christians had better take note before judgment day also read about evangelism jesus style jesus parables saving grace mark of the beast seal of god synagogue of satan why the church today is laodicea and much more

find out what connects logic and humor in this alternative guide to logical reasoning combining jokes stories and ironic situations stan baronett shows how it is possible to ground the language of logic in everyday experience each chapter introduces a basic logical reasoning concept based on happenings in daily life using jokes as his examples baronett reveals the inner workings of logic after all an effective joke often relies on an unanticipated assumption that leads to an unexpected result the assumption changes the normal context of an everyday situation so we are surprised by the ending a complex mind that learns from experience and builds a storehouse of regularly recurring patterns is a great survival tool but for a joke to work the punch line has to be something our minds don t logically anticipate the ending jolts our minds for a split second while we grasp the absurdity of the situation this is how logic works one part of your mind determines whether the information you are receiving is true or false while another part of your mind deals with logical consequences injecting a sense of humor into logical language baronett helps us understand how to analyze basic logical reasoning and provides light relief for anyone daunted by the complex world of logic

the startling economic and political answers behind europe s historical dominance between 1492 and 1914 europeans conquered 84 percent of the globe but why did europe establish

global dominance when for centuries the chinese japanese ottomans and south asians were far more advanced in why did europe conquer the world philip hoffman demonstrates that conventional explanations such as geography epidemic disease and the industrial revolution fail to provide answers arguing instead for the pivotal role of economic and political history hoffman shows that if certain variables had been different europe would have been eclipsed and another power could have become master of the world hoffman sheds light on the two millennia of economic political and historical changes that set european states on a distinctive path of development military rivalry and war this resulted in astonishingly rapid growth in europe s military sector and produced an insurmountable lead in gunpowder technology the consequences determined which states established colonial empires or ran the slave trade and even which economies were the first to industrialize debunking traditional arguments why did europe conquer the world reveals the startling reasons behind europe s historic global supremacy

when your child dies by suicide the world becomes unrecognizable questions rage guilt swells faith trembles words fail this book does not pretend to fix what cannot be fixed but it offers something just as needed gentle company through the darkness written with poetic compassion and spiritual depth why did my child die is a tender companion for parents whose hearts are shattered by unimaginable loss with honesty grace and sacred quiet author samantha leigh weaves reflections prayers letters and scripture into a soft shelter for grieving souls here you will not be judged you will be held you will be reminded that your love has not died and neither has hope this is not a book of answers it is a book of presence for the days you cannot speak for the nights you cannot sleep for the love that death could not take

during your lifetime you will be meeting a lot of people in your extended journey and travels the quickest and easiest way to make a favorable impression is to possess a quick tactful and ready wit or possess a good sense of clean humor a few examples may help when discussing children you can say i gave my son a spiderman costume as a gift and he said that he was spiderman i told him that he wasnt spiderman but i did not know how to get him off of the wall or state trooper recruit to personnel manager what kind of pay can i expect reply i dont like to brag but on this job you can write your own ticket or a young lady dating a mortician said sometimes i dont think he knows that im alive or doctor when will i know something after my operation doctor smoothy that depends on what you knew before your operation or two bees drank too much dandelion wine they were not drunk but both of them had a buzz or a different chicken joke based on that age old question why did the chicken cross the road answer she wanted to beat up a chicken who called her a dumb cluck for now enough is enough if you want more humor of a similar questionable nature buy jokes 102
