william has just received the best present of his life an old real looking stone and wooden model of a castle with a drawbridge moat and a finger high knight to guard the gates novel by elizabeth winthrop reproducible chapter questions plus

comprehension questions a story summary author biography creative and cross curricular activities complete with answer key 64 pages

reprint of the original first published in 1883

originally published in 1988 the castles in england and wales is a comprehensive treatment of the archaeology of the castles in england and wales the books looks at how following the norman conquest one of the most characteristic structures of the english landscape the castle was used to control and survey the population in its simplest definition a castle is a fortified habitation however this book looks at the many uses of castles from their most primitive kind intended only for periodic use or as magnificent decoration such as caernarvon and other welsh castles of edward i it is essential reading for all archaeologists and historians alike

the castles of ireland are an essential part of the story of medieval europe but were until recently a subject neglected by scholars dr mcneill weaves the evidence from the castles into the story of lordship and power in medieval eire

publisher description

report on the excavations within the castle between 1988 1991 which uncovered structures and finds from medieval and later contexts pottery architectural fragments remains of a smithy and coins

uses the aerial photography to reveal the medieval castles of britain in their landscape setting

the japanese invasion and occupation of korea which lasted from 1592 to 1598 was the only occasion in japanese history when samurai aggression was turned against a foreign country during the occupation of korea the japanese built 25 wajo or castles unlike the castles built in japan these fortifications were never developed or modernized after the japanese departure the details of late 16th century castle construction are therefore better preserved than at many other sites written by stephen turnbull an expert in the subject this book examines the castles built by the japanese in korea as well as the use made of existing korean fortifications particularly city walls this resulted in curious hybrid fortifications that dominated the landscape until the japanese were pushed out of the peninsula by a furious onslaught from huge chinese armies

step back in time to discover the incredible past on planet earth this captivating children s atlas gives a complete history of the life and times of our world shown in a series of stunning specially commissioned 3d maps discover the impact of global
