offers the most plausible way to renovate our political and policy thinking to meet the challenges of the twenty first century joe klein time a leading political and business thinker identifies the greatest threat to our economic future the things we think we know but don t america is at a crossroads in the face of global competition and rapid technological change our economy is about to face its most severe test in nearly a century one that will make the recent turmoil in the financial system look like a modest setback by comparison yet our leaders have failed to prepare us for what lies ahead because they are in the grip of a set of dead ideas about how a modern economy should work they wrongly believe that our kids will earn more than we do free trade is always good no matter who gets hurt employers should be responsible for health coverage taxes hurt the economy schools are a local matter money follows merit these ways of thinking dubious at best and often dead wrong are on a collision course with economic developments that are irreversible in the tyranny of dead ideas matt miller offers a unique blend of insights from history psychology and economics to illuminate where today s destructive conventional wisdom came from and how it holds our country back he also introduces us to a new way of thinking what he calls tomorrow s destined ideas that can reinvigorate our economy our politics and our day to day lives these destined ideas may seem counterintuitive now but they will coalesce in the coming years in ways that will transform america a strikingly original assessment of our current dilemma and an indispensable guide to our future miller s provocative and path breaking book reveals why it is urgent that we break the tyranny of dead ideas for it is only by doing so that we can move beyond the limits of today s obsolete debates and reinvent american capitalism and democracy for the twenty first century

about the book a deep and profound insight into the garuda purana and the hindu concepts of death rebirth and immortality why do hindus feed their dead ancestors and why do they prefer burning the dead to building tombs does hinduism have no concept of judgement day what is the impact of death on its notions of womanhood and caste is the vedic approach to death different from the tantric one the idea of death and rebirth is embedded in the hindu mind through ritual and story death is not just tragic but ambiguous too for instance it is the end of one journey but it is also the beginning of another similarly while it is true that the ancestors are venerated and fed posthumously death is also considered inauspicious a source of impurity there are a variety of rituals that seek to address these ambiguities provide comfort to the living and deliverance to the dead in garuda purana and other hindu ideas on death rebirth and immortality devdutt pattanaik explores the many concepts around death across the spectrum of hindu puranas and mythology bhuta pishacha preta pitr and vetala make their appearance in this study as do yama hanuman kaal bhairav ram and other gods as well as lesser beings the book is a unique enquiry into the inevitability that is death but equally it is a guide

for the living on the choices we make

reproduction of the original benign stupors by august hoch

this collection of essays is an introduction to contemporary american poetics the book addresses a wide range of arts and ideas moving from philosophical reflections on wittgenstein to the film antics of mad max from the paintings of arakawa to the poetics of william carlos williams

the bible has been a rich source of inspiration for two thousand years one of the great wellsprings of western civilization in the oxford guide to ideas and issues of the bible dozens of eminent scholars explore how the bible has influenced our religious ethical artistic and philosophical traditions here are more than two hundred alphabetically arranged entries that explore key aspects of the bible and its teachings the contributors examine what the bible says about timeless issues such as adultery and abortion divorce and drunkenness marriage and murder suffering and temptation and they discuss religious concepts found in the bible ranging from incarnation sin and grace to baptism ethics and the holy spirit the book also considers the wider intellectual world examining the bible s influence on western law and medicine and it looks at how the bible has been viewed by thinkers such as marx and freud and by fields such as social science and archaeology thoughtful essays also analyze the bible s influence on human creativity in areas such as music dance art and literature the latter includes an extensive discussion of the impact of the bible on american writing from cotton mather to saul bellow there is even an article on everyday expressions from the bible ranging from the love of money is the root of all evil to such common sayings as the skin of one s teeth at one s wit s end and you can t take it with you the oxford guide to ideas and issues of the bible brings together a wealth of insight into the bible s impact on our culture it is an essential addition to any school or home library

routledge is now re issuing this prestigious series of 204 volumes originally published between 1910 and 1965 the titles include works by key figures such as c g jung sigmund freud jean piaget otto rank james hillman erich fromm karen horney and susan isaacs each volume is available on its own as part of a themed mini set or as part of a specially priced 204 volume set

in benign stupors a study of a new manic depressive reaction type august hoch delves into the complex world of manic depressive

disorders offering a thorough examination of a previously unrecognized reaction type characterized by a state of stupor that is devoid of the usual connotations of harmfulness hoch Äôs literary style blends meticulous clinical observation with theoretical analysis making his work both accessible and informative set against the backdrop of early 20th century psychiatry the book not only contributes to psychodynamic theory but also revitalizes the discourse on mental health providing a nuanced understanding of affective disorders that remain relevant in contemporary discussions surrounding mental illness august hoch an influential psychiatric figure was a pivotal contributor to the understanding of manic depressive illnesses in the early 1900s his extensive background in neurology and psychiatry combined with his firsthand observations of patients undoubtedly informed his writing hoch Äôs innovative inquiry into the more benign aspects of stupor illustrates his commitment to a holistic understanding of mental health contrasting sharply with the more severe depictions of insanity prevalent in his time i highly recommend benign stupors for those interested in the evolution of psychiatric thought as well as clinicians and scholars seeking deep insights into the nuanced manifestations of manic depressive reactions hoch Äôs groundbreaking work not only challenges traditional views but also paves the way for more empathetic and insightful approaches to mental health

this book is a collection of my favorite essays about money related topics it will give you a new perspective on profit and prosperity perhaps it will encourage you to work harder and make more money or maybe it will do the opposite either way the book reflects my experiences in the consulting world and is the first book in my beyond success series providing information about different facets of success and money however the book is about more than money it covers productivity organizational waste customer relationships staff motivation and more and how all these elements combine in making money this book may not change your life but it will make you think about money in ways you probably never thought of before if you re a business owner this book of ideas that never grow old will help you think about ways to revitalize your business for more profit if you re not a business owner this book will help you consider how and where you spend your money and whether your spending should change considerations in making money provides insights that can help you create an extraordinary approach to money high praise for mary s first book her writing is clear direct and informative with just the right touch of playfulness to make even the hardened reader smile you ll find topics here that you may not have ever considered concerning money dr marina uzela chiropractor wholistic chiropractic wellness

in decadence and other essays on the culture of ideas remy de gourmont explores the intricate relationship between artistic expression and the evolving cultural landscape of the early 20th century this collection of essays is marked by its lyrical prose and incisive critiques that delve into themes of aestheticism the sensory experience of literature and the philosophical undertones of decadence de gourmont s literary style marries rich evocative language with a keen analytical eye situating his work within the broader context of symbolism and literary modernism as he interrogates the role of the intellect in shaping cultural thought a prominent figure in the french literary scene gourmont was deeply influenced by the symbolist movement and the sociocultural shifts of his time his background as a book critic and journalist allowed him to cultivate a unique perspective on literature one that

straddles the line between expert and artist gourmont's engagements with various avant garde circles signal his dedication to the exploration of ideas and his writings reflect a continuous dialogue with contemporary thinkers and artists decadence and other essays on the culture of ideas is not merely an intellectual exercise but an invitation for readers to engage with profound questions about creativity and culture scholars and enthusiasts of literary criticism will find in gourmont's reflections a rich tapestry of insights that resonate even today making this collection an essential read for those seeking to deepen their understanding of the intricate interplay between art and society

effie bendann offers an analytical study of burial rites and associated ideas in melanesia australia northeast siberia and india this book is divided in two parts part one looks at the similarities in rites and ideas while part two examines the differences topics include cause of death mourning purification taboos women's connection with funeral rites and the cult of the dead

one of america's greatest challenges is to reverse the steep decline of the intellectual performance of its young men the dramatic increase in violent acts and the downward spiral of high stakes testing in our schools has confirmed that many of our young men have lost hope or simply given up reconnecting redirecting and redefining 21st century males identifies the physical emotional and psychological adjustments many boys have been forced to navigate alone during their most vulnerable formative years and provides adjustments that adults must make to assist them in these transitions

the contributions in this volume pay homage to zenon bańkowski with a focus on problems concerning law's normalization and the revitalizing force of anxiety ranging from political critique to methodological issues and from the role of human rights in development to the role of parables and analogy in legal reasoning the contributions themselves are testament to the richness of bańkowski's scholarship as well as to the applicability of his core ideas to a wide range of issues divided into five parts the book focuses on the role and methods of the jurist conceptions of legality and the experience of living under rules jurisprudential issues affecting exchange and the market and the burden and methods of legal judgement it also includes bańkowski's 2011 valedictory lecture and a bibliography of his work comprising all original contributions the contributors represent a balance of established leading figures and younger emerging scholars in the field of legal and social theory

nineteenth century victorian era mourning rituals long and elaborate public funerals the wearing of lavishly somber mourning clothes and families posing for portraits with deceased loved ones are often depicted as bizarre or scary but behind many such customs were rational or spiritual meanings this book offers an in depth explanation at how death affected american society and the creative ways in which people responded to it the author discusses such topics as mediums as performance artists and postmortem painters and photographers and draws a connection between death and the emergence of three dimensional media

the concept of the afterlife has always been prominent in both greek literature and modern scholarship alike the fate of man after his her allotted time has come to an end has a central position in poetry philosophy and religion often leading to questions and answers as to how one can best live one s life and how can one deal with the burden of mortality that is inherent in every human being the greeks devoted a considerable amount of their literary production in an attempt to answer these questions through a variety of different media whereas similar concerns appear to have been at the core of the ancient world in general this volume represents the first to examine the influences intersections and developments of understandings of death and the afterlife between poetic religious and philosophical traditions in ancient greece in one resource greek thinking on death and the afterlife was neither uniform simple nor static and by offering an examination of these matters in a properly interdisciplinary context this collection of papers aims to demonstrate the full richness complexity and flexibility of these ideas in the ancient greek world and illuminate how freely writers from various genres drew inspiration from each other s thinking concerning eschatological matters contributors alberto benarbé rick benitez nicolo benzi chiara blanco radcliffe edmonds george alexander gazis anthony hooper vaivos liapis alex long ioannis ziogas

in a new edition of this now classic work robert brustein argues that the roots of the modern theatre may be found in the soil of rebellion cultivated by eight outstanding playwrights ibsen strindberg chekhov shaw brecht pirandello o'neill and genet focusing on each of them in turn mr brustein considers the nature of their revolt the methods employed in their plays their influences on the modern drama and the playwrights themselves one of the standard and decisive books on the modern theater it shows us the men behind the works what they wanted to write about and the private hell within each of them which led to the enduring works we continue to treasure new york times book review the best single collection of essays i know of on modern drama remarkably fine and sensitive pieces of criticism alvin kernan yale review

three and a half centuries after paradise lost and paradise regained were written do milton's epic poems still resonate with contemporary concerns in milton's leveller god david williams advances a progressive and democratic interpretation of milton's epics to show they are more relevant than ever exploring two blind spots in the critical tradition the failure to read milton's poetry as drama and to recognize his depictions of heaven's political and social evolution williams reads milton's great argument as a rejection of social hierarchy and of patriarchal government that is more attuned to the radical political thought developed by the levellers

during the english revolution he traces echoes between milton s texts and thousands of pages of leveller writings that advocated for popular rule extended suffrage and religious tolerance arguing that milton s god is still the unacknowledged ground of popular sovereignty williams demonstrates that milton s leveller sympathies expressed in his early prose conflicted with his official duties for oliver cromwell s government in the 1650s but his association with the journalist marchamont nedham later freed him to imagine an egalitarian republic in a work that connects the great epic poet in new ways to the politics of his time and our own milton s leveller god shows how the political landscape of milton s work fundamentally unsettles ancient hierarchies of soul and body man and woman reason and will and ruler and ruled
