partial summary the early part of volume 2 covers garfield s visit to the bitterroot in 1872 includes information on chief charlot chief

looking glass chief eagle against the light jocko reservation and father lawrence palladino

diaries offer us the rare privilege of seeing the world through someone else's eyes and james loch's writings spanning the period 1802 to 1833 do just that to describe them simply as weather diaries is however to overlook the wider range of his critical and always informed eye assuredly weather is the main focus but he sees other broader political and social events refracted through that meteorological prism living through and being active in the great age of reform of the early nineteenth century loch's insight the social milieu in which he lived and his active political life provide a fascinating and highly personal narrative for too long these diaries have been a neglected source this oversight is now remedied by this book

the renowned historian jenny wormald was a ground breaking expert on early modern scottish history especially stewart kingship noble power and wider society she was most controversial in her book length critique of mary queen of scots unfortunately jenny never got round to producing a similar monograph on a monarch she was infinitely more fond of king james vi and i before her untimely death in 2015 in the absence of such a book this volume brings together all the major essays by jenny on james she wrote on almost every aspect and every major event of james reign from the famous gunpowder plot the plantation of ulster the gowrie conspiracy to the witchcraft panics as well as james extensive writings she wrote extensively on james scottish rule but she was also keenly interested in james as the first king of all of britain and many of her essays unpick the issues surrounding the union of the crowns and james rule over all three of his kingdoms this book is an invaluable resource for any scholar on this crucial time in the history of the british isles

this biography analyzes astor's rise from poor german immigrant in 1784 to the first modern millionaire he was one before the term millionaire entered the english language many consider him to be the fourth wealthiest american of all times after his death in 1848 the public began to discuss the responsibility of a millionaire some argued that he must have been greedy and cold some voices demanded that he should have given all his money back to the united states more liberal thinkers praised him for his genius and vision this biography presents a balanced picture astor was the founder of the first american settlement on the pacific astoria oregon and of new york's fine hotels the astor house and the waldorf astoria as well as a developer of the american west and a fur trader many american cities and sites are named after him he donated the astor library to the city of new york it became the first public library of the city now part of the new york public library

m r james entirely redefined the ghost story for the modern reader abandoning many of the formal gothic clichés of his predecessors

he chose instead realistic contemporary settings whilst blending his esoteric interest in antiquarian subjects to fashion his own inimitable tales of horror for the first time in publishing history delphi classics presents the complete fictional works of m r james as well offering every published work that james produced for the general reader this comprehensive ebook offers numerous illustrations informative introductions rare texts and the usual delphi bonus material version 1 beautifully illustrated with images relating to james life and works concise introductions to the short story collections and other texts all the story collections with individual contents tables includes rare uncollected ghost stories often missed out of collections images of how the books were first printed giving your ereader a taste of the original texts excellent formatting of the texts famous works such as ghost stories of an antiquary are fully illustrated with their original artwork special chronological and alphabetical contents tables for the ghost stories easily locate the short stories you want to read all of james translations of hans christian andersen s stories many rare non fiction works appear here for the first time in digital publishing history even includes the two rare guide books written by james first time in digital print includes james rare memoir explore the author s personal experiences scholarly ordering of texts into chronological order and literary genres contents the short story collections ghost stories of an antiquary more ghost stories a thin ghost and others a warning to the curious and other ghost stories the collected ghost stories of m r james uncollected stories the short stories list of short stories in chronological order list of short stories in alphabetical order the children s books the five jars forty two stories by hans christian andersen the non fiction henry the sixth a reprint of john blacman s memoir the wanderings and homes of manuscripts helps for students of history old testament legends prologue to le fanu s madam cowl s ghost and other tales of mystery the apocryphal new testament introduction to ghosts and marvels 1924 some remarks on ghost stories ghosts treat them gently the guidebooks abbeys suffolk and norfolk the memoir eton and king s recollections mostly trivial 1875 1925 contents of the us version please note due to us copyright restrictions later stories and some non fiction works are not included the short story collections ghost stories of an antiquary more ghost stories a thin ghost and others a warning to the curious and other ghost stories the short stories list of short stories in chronological order list of short stories in alphabetical order the children s novella the five jars the non fiction henry the sixth a reprint of john blacman s memoir the wanderings and homes of manuscripts helps for students of history old testament legends prologue to le fanu s madam cowl s ghost and other tales of mystery the guidebooks abbeys suffolk and norfolk the memoir eton and king s recollections mostly trivial 1875 1925

the search for ways to contain the evanescence fragility and ephemeral beauty of the moment has preoccupied lyric poets from catullus to james schuyler for schuyler indeed discovering and glowing in the ineffable contingency of the moment was both theme and goal nowhere in his work is this more true than in that marvelous celebration of the miracle of impermanence his remarkable

diary here published in full for the first time

right it is time to take things in hand life is definitely what you make it and i am going to make mine fabulous in order to find the one and have a meaningful life i must seize the day i will need to kiss a few frogs before i meet my prince though i just need to be open minded and open armed and possibly open mouthed i m rachel riley welcome to my so called life

one of the british empire s most troubling colonial exports in the 19th century james busby is known as the father of the australian wine industry the author of new zealand s declaration of independence and a central figure in the early history of independent new zealand as its british resident from 1833 to 1840 officially the man on the ground for the british government in the volatile society of new zealand in the 1830s busby endeavoured to create his own parliament and act independently of his superiors in london this put him on a collision course with the british government and ultimately destroyed his career with a reputation as an inept conceited and increasingly embittered person this caricature of busby s character has slipped into the historical bloodstream where it remains to the present day this book draws on an extensive range of previously unused archival records to reconstruct busby s life in much more intimate form and exposes the back room plotting that ultimately destroyed his plans for new zealand it will alter the way that britain s colonisation of new zealand is understood and will leave readers with an appreciation of how individuals more than policies shaped the empire and its rule

the arabian seas is a magisterial work on the world political economy trade war power that explores the intersect of the worlds of islam including south and southeast asia the middle east and east africa and the european world economy particularly the seafaring portuguese dutch and british on the eve of the modern world system it is likely to become a classic in its field and one of the pillars of the emerging literature in recent years that has begun to recast our understanding of the early modern history of asia and the world economy underlining the early and long predominance of asia in the world economy and showing the long and deep ties between european and asian economic and military interactions this work centrally addresses current debates on the nature of the early modern world system and the relative strengths of east and west there are no competitors for this book but it may be compared with braudel s masterful studies of the mediterranean in the sense that it does for the arabian seas indian ocean world spanning south asia the middle east and the east african coast and beyond what braudel did for the mediterranean

ripperology a sometimes obsessive interest in studying the crimes of jack the ripper is a subject of timeless interest that has suffered from confusion exaggeration and hyperbole for over a century jack the ripper was probably the first serial killer to appear in a large

metropolis at a time when the general populace was literate and the press was a force for social change the press was also partly responsible for creating many myths surrounding the ripper
