your students are changing technology is changing the idea of the classroom is changing now the way your students experience spanish can change as well at mcgraw hill we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor experience in world languages employing a wide array of research tools including surveys focus groups and ethnographic studies we identified a number of areas for improvement upon the existing learning materials available the result is experience spanish experience spanish is a first its groundbreaking adaptive diagnostic and synchronous asynchronous conversation tools create a 24 7 active language in culture environment never possible before with experience spanish instructors can tailor the environment while students tailor the experience allowing everyone to take ownership of the learning experience affording the flexibility that only an integrated solution can provide experience spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face to face online or hybrid at the same time students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient and personalized way with experience spanish your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different formats are behind you own the experience take charge of learning experience spanish and experience the world

although more and more students have the test scores and transcripts to get into college far too many are struggling once they get there these students are surprised to find that college coursework demands so much more of them than high school for the first time they are asked to think deeply write extensively document assertions solve non routine problems apply concepts and accept unvarnished critiques of their work college knowledge confronts this problem by looking at the disconnect between what high schools do and what colleges expect and proposes a solution by identifying what students need to know and be able to do in order to succeed the book is based on an extensive three year project sponsored by the association of american universities in partnership with the pew charitable trusts this landmark

research identified what it takes to succeed in entry level university courses based on the project's findings and interviews with students, faculty and staff. This groundbreaking book delineates the cognitive skills and subject area knowledge that college-bound students need to master in order to succeed in today's colleges and universities. These standards for success cover the major subject areas of English, mathematics, natural sciences, social sciences, second languages and the arts.

Experience Spanish: Un Mundo Sin Límites presents vocabulary and grammar in action through culture with emphasis on the 5C's. The Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: culture is core, culture is infused throughout the program, the student's cultural experience and exposure is not limited to special cultural sections but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: *Entrada Cultural*, *Expresiones Artísticas*, *Notas Culturales*, *Notas Interdisciplinarias*, *Lectura Cultural*, *Concurso de Videoblogs*, *Conexiones Culturales en Vivo* and *Conexiones Culturales*. These readings, videos, notes and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in Action: vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts in action, allowing students to experience the structures in context before focusing on the forms and rules. Personalized Experience: no two students are alike; why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom to further the personalized experience. We're excited to announce the interactive 3D game practice Spanish Study Abroad that immerses students in a virtual study abroad experience in Colombia. Practice Spanish Accessible: on laptops and mobile devices, allows students to practice real-world language in a game environment that integrates culture, grammar and vocabulary. Experience Spanish Everywhere: Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how

they need it so that your class time is more engaging and effective connect spanish including but not limited to the workbook lab manual learnsmart practice spanish study abroad the video program and chat tools is sold separately and does not come automatically with the purchase of the textbook
