success in life is significantly if not totally dependent upon our ability to manage we manage on the job we manage in our governmental and educational institutions and we manage in our personal lives successful managers are those who understand what needs to be accomplished who communicate with those who are supposed to get it done and achieve a desired result through their efforts while the focus of this book is on management interactions between people based on their personality colors in the working world the principles and processes it presents are equally applicable in any environment or situation what you ll learn from reading this book by best selling author carol ritberger will not only help you understand why people consistently and predictably do the things they do but it will help you understand the challenges and limitations you must deal with based on your own personality traits and characteristics it will also show you how to utilize the knowledge and understanding of personality differences to manage influence and motivate your subordinates peers and associates successfully overall it will bring color to your life as a manager

in the problem of the idea of culture in john paul ii exposing the disruptive agency of the philosophy of karol wojtyla john corrigan provides a new lens with which to view and understand the philosophy of karol wojtyla john paul ii he exposes wojtyla as a major player in contemporary philosophical debates the work reformulates the problem of experience in light of the questions surrounding our idea of culture corrigan argues that for wojtyla the drama of the problem of experience manifests in the apparently divergent accounts of the meaning of human experience as presented by the philosophies of being and of consciousness solving this conundrum results in an idea of the person capable of explaining human experience in relation to human culture unfolding the experiences of self knowledge conscience and the ontic causal relationship of the person to human culture the first part of the book concerns formal considerations regarding the constitutive aspects of wojtyla s approach while the second part deals with pragmatic considerations drawn from his comments on culture

foundations of economic personalism is a series of three book length monographs each closely examining a significant dimension of the center for economic personalism s unique synthesis of christian personalism and free economic market theory in the aftermath of the momentous geo political and economic changes of

the late 1980s a small group of christian social ethicists began to converse with free market economists over the morality of market activity this interdisciplinary exchange eventually led to the founding of a new academic subdiscipline under the rubric of economic personalism these scholars attempt to integrate economic theory history and methodology with christian personalism s stress upon human dignity humane social structures and social justice this final volume in the series systematically applies the praxeological from the first volume and theoretical from the second volume foundations of the personalist tradition to free market economic theory unlike the previous two this work defends economic liberty in theologically sensitive terms that reference the personalist tradition without compromising the disciplinary integrity of either economics or social ethics
