universally recognized as one of the greatest blues artists memphis minnie 1897 1973 wrote and recorded hundreds of songs blues people as diverse as muddy waters johnny shines big mama thornnton and chuck berry have acknowledged her as a major influence at a time when most female vocalists sang tin pan alley material minnie wrote her own lyrics and accompanied her singing with virtuoso guitar playing thanks to her merciless imagination and dark humor her songs rank among the most vigorous and challenging popular poetry in any language woman with guitar is the first full length study of the life and work of this extraordinary free spirit focusing on the lively interplay between minnie s evolving artistry and the african american community in which she lived and worked drawing on folklore psychoanalysis critical theory women s studies and surrealism the authors explorations of minnie s songs illuminate the poetics of popular culture as well as the largely hidden history of working class women s self emancipation this revised and expanded edition includes a wealth of new biographical material including photographs record contracts sheet music and period advertisements which further vivify this portrait of an african american musical legend complete updated discography included woman with guitar is a fascinating thorough and extremely valuable biography of one of american musical history s most vibrant and pioneering artists as the first woman singer songwriter guitarist to ever reach stardom the story of her life in music on and off the stage during one of the most important and formative periods of the origins of popular music is an indelible crucial window into that history bonnie raitt woman with guitar has been since it was first published in 1992 and now with this new revised and extended edition still the only real definitive biography of memphis minnie the most important female singer songwriter and guitarist in the history of delta blues lucinda williams as a most ardent and devoted lifelong fan of memphis minnie and her music i avidly devoured the original woman with guitar when it first came out in 1992 now i am excited to be reading this new edition and so grateful for it s additional rare photos and carefully researched details which shed even more light on this seminal iconic almost mythical musical pioneer who was way ahead of her time and whose soulful music and life so deeply inspired and influenced so many a must read whether you are already a memphis minnie fan or just discovering her for the first time maria muldaur an excellent book bill wyman woman with guitar is not simply a carefully researched biography of memphis minnie compiled from the memories of her relatives friends and fellow performers it is a vivid portrait of a talented singer and guitarist the authors have added a new dimension to blues scholarship paul oliver author of blues off the record woman with guitar is a delight the book is both thorough and brilliant a rare combination these days a fanatic interest in minnie underpins and energizes this wonderful biography david roediger author of the wages of whiteness paul garon is a co founder of living blues magazine and author of the devil s son in law and blues and the poetic spirit beth garon is a painter and collagist the garons operate a rare book business in chicago illinois and have been associated with the us surrealist movement for many years

a working guide to the proper methods of interacting with the full vodou pantheon includes the myths cultural heritage and ancestral lineage of the lwa and how to honor and serve them provides an introduction and guide that is especially useful for the solitary practitioner discusses the relationship between vodou haitian culture and catholicism in the haitian vodou handbook kenaz filan an initiate of the société la belle venus presents a working guide to the proper methods of interacting with the full vodou pantheon explaining how to build respectful relationships with the lwa the spirits honored in haitian vodou and how to transform the fear that often surrounds the vodou religion until recently the haitian practice of vodou was often identified with devil worship dark curses and superstition some saw the saint images and the catholic influences and wrote vodou off as a christian aberration others were appalled by the animal sacrifices and the fact that the houngans and mambos charge money for their services those who sought vodou because they believed it could harness evil forces were disappointed when their efforts to gain fame fortune or romance failed and so abandoned their voodoo fetishes those who managed to get the attention of the lwa often received cosmic retaliation for treating the spirits as attack dogs or genies which only further cemented vodou s stereotype as dangerous filan offers extensive background information on the featured lwa including their mythology and ancestral lineage as well as specific instructions on how to honor and interact fruitfully with those that make themselves accessible this advice will be especially useful for the solitary practitioner who doesn t have the personal guidance of a société available filan emphasizes the importance of having a quickened mind that can read the lwa s desires intuitively in order to avoid establishing dogma based relationships this working guide to successful interaction with the full vodou pantheon also presents the role of vodou in haitian culture and explores the symbiotic relationship vodou has maintained with catholicism

have you ever noticed that you talk about luck every day of your life luck is your silent companion sometimes bringing awesome parking spaces a chance meeting with a new love interest or a small windfall most of the time you probably don t even pay attention to luck chances are you only really think about luck when you buy a lottery ticket or participate in a contest luck is so much more than that if you take steps to live longer by eating right and exercising why wouldn t you also take similar steps to improve your good fortune barrie dolnick and anthony davidson asked themselves this very question and set out to study luck and decipher how it works in this insightful and engaging book they share the secrets they ve uncovered so you can use luck more effectively in your day to day life where does luck originate does one need to be born lucky in order to be lucky answering these and many other pressing questions dolnick and davidson investigate both ancient and scientific approaches to luck from early man to famous rationalists luck has been prayed for played with and courted you ll learn how ancient practices such as the i ching astrology tarot and numerology have been used to understand luck and how great mathematicians studied luck some guided by their own interest in gambling every one wants to be lucky once you know the fundamentals of luck the authors take you through your own personal luck profile so that you can use this wisdom and try your luck people do a lot of weird things to improve their luck and now you can make smart choices and informed decisions about how to play with yours

spiritual rites spell work and folk practices to enhance your well being and personal power learn

to better express your spirituality and build up your magical practice with this book's powerful spells, rituals, and tools designed to help you navigate whatever ups and downs life throws your way. Good juju is your perfect choice for learning to embrace nature, the old ways, and the magick all around you using simple practices that don't interfere with any religions. Good juju helps you lay a foundation for daily ritual work. You'll also learn how to craft mojos, create and work with altars, tune in to your intuition, and much more. Author Najah Lightfoot guides you in keeping your mind, body, and spirit strong as you discover your magical work and align with your higher power.

You could be the target of a spell or curse and not even know it. All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. Protection, reversal, magick is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to set up early warning systems, appease angry spirits through offerings, perform daily banishings, and make amulets that will prevent most attacks. Make magickal decoys to absorb attacks against you, summon guardian spirits or gods for help, bind, confuse, or expel a persistent enemy who will not leave you. These techniques aren't just for witches either, but for ceremonial magicians, rootdoctors, and anyone else who puts magick to a practical use like the cunning men and women of old. Now you can defend yourself and your loved ones against even the strongest attacks. This book is not only one of my favorite books on defense against the dark arts, but is actually one of my favorite books in my whole library. Throughout the book, Jason provides not only on protection but also on recognizing the symptoms of attack and creating an early warning system to alert you of magickal attacks. Mat Aurnyn, author of *Psychic Witch*.

Traces the history of good fortune traditions from sacred divination to modern gambling, reveals how dice were originally considered sacred objects of divination, and details the techniques and meanings of a dice oracle. Looks at medieval grimoires for fortune telling and other divination traditions, including those using cowrie shells, bones, coins, cards, sticks, and stones. Examines how dice became a means of gaming and gambling, and how gambling gave rise to specialized lucky charms. Some believe that our future is predetermined, while others assert that we have free will and our future can take many different courses depending on our actions. In ancient times, it was believed that the will of the gods determined people's lives, and divination or sacrifices to the gods could change or improve one's future. Of the deities devoted to luck and the future, the Roman goddess Fortuna is most famous, having two shrines in Italy where divination was conducted under her guardianship. Tracing the history of the culture of good fortune from sacred divination to profane gambling, Nigel Pennick explores the many ways people through the centuries have sought to divine the future, ensure protection, and draw the full benefits from days of good omen. He shows how dice were originally considered sacred objects of divination and reveals the divinatory geomancy techniques and meanings of a dice oracle, exploring how dice became a means of gaming and gambling. Pennick details the forms of trickery and crooked dice used in games of craps by cheating gamblers, and the dream books that served as oracles for those who played the policy game in addition to dice. He looks at how cowrie shells, bones, coins, cards, sticks, and stones were used to form meaningful patterns for interpretation, and how these cultural divination practices were often accompanied by texts or oral traditions that explained the meanings of the patterns, revealing how divination and gambling are two sides of the same coin.

pennick shows how whether you are a gambler relying on lady luck or a diviner querying the gods we re all looking to fortuna in the quest for a better richer life
