economic pressure as well as transnational and domestic corporate policies has placed labor law under

severe stress national responses are so deeply embedded in institutions reflecting local traditions that meaningful comparison is daunting this bo

a stimulating authoritative account of international employment law written by a leading figure who for many years has shaped global policy striving to implement fairer working conditions worldwide we are expertly guided though the context and development of labour law making this book ideal for study or research

besides a well written introduction by the two editors the book presents seventeen other chapters some by well known writers on the subject or related social sciences this is a substantial resource book for scholars and students of comparative er especially for those who look towards the evolution of er in the new economic world that is in formation and in a comparative perspective the book contains intellectually stimulating analyses of employee relations realities across the globe scholars belonging to different disciplinary perspectives from which er has been studied in the past will also find in it a good reference material of comparative analyses the publishers too deserve accolades for their professionalism and first rate copy editing and production debi s saini vision the journal of business perspectives the book is a comprehensive volume of studies on employment relations in a wide variety of settings an enriching compendium silvia florea management of sustainable development the research handbook of comparative employment relations is an essential resource for those seeking to understand contemporary developments in the world of work and the way in which employment relations systems are evolving around the world special consideration is given to the impact of globalisation and the role of multinational corporations including their consequences for the fate of workers rights under existing national systems of employment relations er regulation this handbook is unique in taking an explicitly comparative approach by discussing er developments through a series of paired country comparisons these chapters include a wide selection of countries from all regions looking beyond those that are frequently discussed the expert contributors also examine comparative issues from a range of perspectives including industrial and employment relations political economy comparative politics and cross cultural studies these impressive features make this important reference tool the most comprehensive of its kind academics and students in final year undergraduate and postgraduate courses interested in employment relations will find this compendium enriching and insightful

this fully revised and updated second edition of the oxford handbook of comparative law provides a wide ranging and diverse critical survey of comparative law at the beginning of the twenty first century it summarizes and evaluates a discipline that is time honoured but not easily understood in all its dimensions in the current era of globalization this discipline is more relevant than ever both on the academic and on the practical level the handbook is divided into three main sections section i surveys how comparative law has developed and where it stands today in various parts of the world this includes not only traditional model jurisdictions such as france germany and the united states but also other regions like eastern europe east asia and latin america section ii then discusses the major approaches to comparative law its methods goals and its relationship with other fields such as legal history economics and linguistics finally section iii deals with the status of comparative studies in over a dozen subject matter areas including the major categories of private economic public and criminal law the handbook contains forty eight chapters written by experts from around the world the aim of each chapter is to provide an accessible original and critical account of the current state of comparative law in its respective area which will help to shape the agenda in the years to come each chapter also includes a short bibliography referencing the definitive works in the field

penerbit airlangga university press isbn 9786024737689 introduction to commercial laws in indonesia and malaysia offers an overview of relevant topics in commercial laws from a comparative perspective to facilitate understanding of commercial laws in indonesia and malaysia both indonesia and malaysia legal systems have their own specific and detailed principles and rules on commercial laws but the transnationalization of trade and legal practice means that businessmen and legal practitioners may need to apply a comparative approach

Ôwachter and estlund have assembled a feast on the economic analysis of issues in labor and employment law for scholars and policy makers the volume begins with foundational discussions of the economic analysis of the individual employment relationship and collective bargaining it then progresses to discussions of the theoretical and empirical work on a wide range of important labor and employment law topics including union organizing and employee choice the impact of unions on firm and economic performance the impact of unions on the enforcement of legal rights just cause for dismissal covenants not to compete and employment discrimination anyone who wants to study what

economists have to say on these topics would do well to begin with this collection Õ Ð kenneth g dau schmidt indiana university bloomington school of law us this research handbook assembles the original work of leading legal and economic scholars working in a variety of traditions and methodologies on the economic analysis of labor and employment law in addition to surveying the current state of the art on the economics of labor markets and employment relations the volumeÕs 16 chapters assess aspects of traditional labor law and union organizing the law governing the employment contract and termination of employment employment discrimination and other employer mandates restrictions on employee mobility and the forum and remedies for labor and employment claims comprising a variety of approaches the research handbook on the economics of labor and employment law will appeal to legal scholars in labor and employment law industrial relations scholars and labor economists

front matter copyright page comparative discrimination law age as a protected ground

at the core of all societies and economies are human beings deploying their energies and talents in productive activities that is at work the law governing human productive activity is a large part of what determines outcomes in terms of social justice material wellbeing and the sustainability of both it is hardly surprising therefore that work is heavily regulated this handbook examines the law of work a term that includes legislation setting employment standards collective labour law workplace discrimination law the law regulating the contract of employment and international labour law it covers the regulation of relations between employer and employee as well as labour unions but also discussions on the contested boundaries and efforts to expand the scope of some laws regulating work beyond the traditional boundaries written by a team of experts in the field of labour law the handbook offers a comprehensive review and analysis both theoretical and critical it includes 60 chapters divided into four parts part a establishes the fundamentals including the historical development of the law of work why it is needed the conceptual building blocks and the unsettled boundaries part b considers the core concerns of the law of work including the contract of employment doctrines main protections in employment legislation the regulation of collective relations discrimination and human rights part c looks at the international and transnational dimension of the law of work the final part examines overarching themes including discussion of recent developments such as gig work online work artificial intelligence at work sustainable development amongst others

the contract of employment provides in many jurisdictions the legal foundation for the employment of workers this book examines how the development of the common law under the influence of contemporary social and economic pressures has caused this contract to evolve

this collection which stems from the international conference on comparative non discrimination law held at utrecht the netherlands in june 1998 covers both the general aspects of equality and non discrimination law part i as well as the specific grounds for discrimination adverse impact or indirect discrimination and affirmative action part ii part iii discusses diverse aspects of the enforcement of non discrimination law part iv contains conclusions and an agenda for change this book is unique in that it both provides a comparative view of anti discrimination law in theory and practice and looks at a wide range of grounds for discrimination such as gender race religion and health its comparative and international approach renders this publication not only of interest to civil rights lawyers but to all those engaged in human rights and comparative law

this book traces the evolution of european union employment law and social policy from its essentially economic origins in the treaty of rome through to the emerging themes post amsterdam coordination of national employment policies modernisation of social laws and combating discrimination each stage of development of community employment law and social policy is analysed in depth to give a sense of perspective to this fast changing field as the european union seeks to meet the challenges of globalisation the need to develop social policy as a productive factor has come to the fore the author explains how the social economic and employment imperatives of european integration have always been intertwined and how the emergence of community employment law from its hitherto twilight existence is best understood through an examination of consistent strands of policy development

searching for paid tasks via digital labour platforms such as uber deliveroo and fiverr has become a global phenomenon and the regular source of income for millions of people in the advent of digital labour platforms this insightful book sheds new light on familiar questions about tensions between competition and cooperation short term gains and long term success and private benefits and public costs drawing on a wealth of knowledge from a range of disciplines including law management psychology economics sociology and geography it pieces together a nuanced picture of the societal challenges posed by the platform economy

get a clear and accessible introduction to employment law with practical activities case law examples and critical debates designed for hrm business and cipd students

there is growing interest in trying to understand and rethink the goals of labour law in light of changing realities in the labor market and regulation responding to such fundamental questions as what is labor law for how can it be justified and on what should reforms be based this book challenges the way we think about labor law

with contributions from top legal scholars this edited collection provides an international overview of the most up to date issues and new trends in law regarding employment discrimination in different countries confronting the us the uk and japan on the one hand with the eu jurisdictions namely italy france spain greece hungary slovak republic and the czech republic on the other hand this book pays special attention to the most significant changes to law in these countries and ongoing challenges they face the monograph is complementary to a former one entitled discrimination and employment law international legal perspectives joseph carby hall zbigniew góral and aneta tyc eds routledge 2023 and at the same time works as a separate volume adopting a problem solving approach this monograph offers an in depth analysis of both anti discrimination statutory law and of a growing and still developing corpus of case law this book will appeal to students academics and practitioners working in the field of labour and employment law anti discrimination law and human rights law as well as to employers employees trade unions the etuc the ilo and policy makers from all over the world

bulletin of comparative labour relations now that the idea of the workplace and the traditional view of working time are undergoing major challenges it is important to rethink the questions of what is work and what is the meaning of work this book delves into the problems and issues raised by these questions today and explores new pathways and answers fourteen distinguished labour and employment law experts contribute insightful examinations of developments and trends in the world of work that have a penetrating impact on the ways in which we understand and approach labour law the book is the result of the third conference in commemoration of professor roger blanpain organized by the institute for labour law of ku leuven in september 2023 in a collection of papers the contributors explore such aspects of the rapidly changing work landscape as the following working with smart technology and artificial intelligence protection of the self employed and teleworkers the erosion of

boundaries between work and personal life the right to disconnect protection of worker privacy in an era of heightened surveillance reconciling the eu general data protection regulation gdpr with labour law requirements labour law protections beyond the human worker to include the environment work in periods of crisis precarious work wearable technology in workplace monitoring and robots in the workplace with a core consideration of the relationship between labour law and the individual the overall perspective proposes a transformative vision where labour law becomes the law of social freedom intrinsically linked to personal development and social recognition the diverse contributions together provide a crucial foundation for reimagining labour law and advancing our understanding of the evolving meaning of work by highlighting the necessity for legal frameworks to respond to unprecedented global technological and social transformations with its practical insights into contemporary workplace issues critical analysis of work life balance and guidance on managing technological change it will be welcomed by practitioners academics regulators and social partners working in the fields of labour and employment law

death of labour law questions the on going relevance of labour law in australia and other western industrialised societies in the twenty first century the tension between economic flexibility for business and social stability for workers is set against the backdrop of the rudd government s forward with fairness reform agenda and similar proposals for change in the european union martin vranken retraces the birth and subsequent growth of labour law and argues that it is essentially a mechanism for employee protection not labour market regulation death of labour law offers a fresh perspective on the current debate about labour law and the role of the state in australian industrial and workplace relations
