the book aims to provide a timely update on a group of disorders of growing clinical and research interest vertigo and dizziness are far from being rare in total population and approach to them has

significantly changed in the last years this handbook reports in a practical way what has been recently published on these disorders as a result the neurologist will be able to acquire the tools to recognize diagnose and treat numerous clinical pictures that often border on the expertise of ent specialists and audiologists the authoritative interdisciplinary working group that compiled the book intended to provide a practical and integrative view useful in understanding and solving the problems related to these pathologies vestibular migraine and related disorders in daily practice a part on other episodic vertigo has also been included in this handbook as well as a part which deals with the physiology of the vestibular end organ

ricardo ruiz de adana y más de 100 autores colaboradores presentan la tercera edición totalmente revisada y ampliada de un libro ya clásico dirigido especialmente a estudiantes de medicina médicos generales médicos residentes y especialistas en medicina familiar y comunitaria pudiendo encontrar en él una excelente ayuda para el abordaje sencillo y práctico de los problemas más comunes con los que se enfrentan en medicina ambulatoria esta obra se ha convertido en españa en una herramienta imprescindible para afrontar con éxito los exámenes mir principalmente en la especialidad de atención primaria indice bases metodológicas de la medicina clínica mantenimiento de la salud problemas respiratorios problemas cardiovasculares problemas digestivos problemas neurológicos problemas hematológicos problemas reumatológicos problemas endocrino metabólicos problemas neurológicos enfermedades infecciosas problemas del aparato genital femenino problemas mentales problemas orl problemas oftalmológicos problemas dermatológicos problemas geriátricos problemas oncológicos

la revista hispania fue más que un impreso de divulgación porque fue un proyecto politico cultural de algunos colombianos como baldomero sanín cano que se propusieron construir desde el exilio una patria común un hogar fraterno y un entorno de diálogo entre los ciudadanos de américa revitalizando la idea bolivariana de la utopía de américa como patria de la humanidad y de la justicia el carácter transicional de sanín cano se transparenta y define en las páginas de hispania sin soslayar los contenidos económicos y políticos de las turbulentas relaciones diplomáticas del mundo occidental que decididamente muestran las grietas de la gran civilización europea ya en el ocaso

tanya miquilena y werner corrales publican el volumen que recoge el fruto de un trabajo de casi diez años sobre cómo fijar las prioridades en las que basar la recomposición de la economía la institucionalidad y la sociedad venezolanas el producto se titula venezuela vértigo y futuro el nuevo libro de la editorial dahbar venezuela vértigo y futuro tiene como responsables a werner corrales y tanya miquilena pero sus ideas y propuestas integran los resultados de un esfuerzo que en realidad ha involucrado a miles de venezolanos por casi diez años luego de que más de 1 300 personalidades firmaran el manifiesto es hora de cambiar entre 2009 y 2017 un amplio grupo de expertos políticos y ciudadanos de todas las tendencias sostuvieron una serie de más de 300 encuentros y de talleres para producir una visión compartida de país que sirviera de plataforma para la reconstrucción de venezuela una vez se inicie una transición a la democracia que nos conduzca a un futuro de libertad y progreso para todos esta visión compartida se produjo en una primera etapa con el trabajo en equipo de siete organizaciones que se refinó en una segunda fase con el aporte de once equipos de expertos esto alimentó a una consulta nacional que encomendó la asamblea nacional y ha nutrido desde 2013 la formación de jóvenes dirigentes en el diplomado en liderazgo social y político de la universidad metropolitana en caracas todo este trabajo desembocó en siete consensos y tres estrategias de desarrollo que se explican detalladamente en este libro luego de que los capítulos iniciales resumen un diagnóstico de la coyuntura venezolana y de sus causas históricas las tres estrategias van por la reorientación de prioridades la reconstrucción

institucional y la reconciliación y los siete consensos u objetivos de desarrollo que esas estrategias persiguen son los siguientes paz no violencia y reconciliación con justicia un pacto para el progreso de todos y la superación de la pobreza construir una nueva economía de alta productividad instituciones para la democracia y para la autonomía ciudadana hábitat de calidad para todos en armonía con el ambiente conocimiento y educación relevantes de calidad y accesibles para todos y la superación del rentismo entre tantos libros que se han publicado en estos años para responder las preguntas de cómo llegamos aquí y cómo podemos salir de esto venezuela vértigo y futuro destaca por su orden su claridad su puntería y su carácter consensual no son pocos los observadores y protagonistas que tienen buenos argumentos para plantear un conjunto de medidas para que el país recupere su camino al desarrollo pero en esta obra esa visión no viene de una o dos personas muy calificadas sino de miles así que es un libro que merece no solo leerse sino compartirse discutirse y resguardarse para cuando pueda ser útil
