it is very easy to control and manage business when a business is very small hence the entire

double entry account is kept in one book called a ledger as the business grows and expand it would be impossible just to use one book as the large number of pages needed for a lot of transactions could be very difficult to handle to solve this problem of getting difficulties in handling the bookkeeper should use more books through this all similar types of transactions are handling together and have a book for each type remember not to mix together transactions which are different from one another therefore the books which are used to record all similar transactions on a first time before posting to the ledger account are called books of original entry

an annual prize is awarded for the best paper appearing in accounting education an international journal and this book contains the prize winning papers for every year from 1992 to 2012 the journal s primary mission since the first issue was published in march 1992 has been to enhance the educational base of accounting practice and all the papers in this book relate to that mission these papers reporting on research studies undertaken by accounting education scholars from around the world build on research findings from the broader domain of education scholarship and embrace a wide array of topics including curriculum development pedagogic innovation improving the quality of learning and assessing learning outcomes of particular interest are three themes each of which runs through several of the papers students approaches to learning and learning style preferences ethics and moral intensity and innovation within the accounting curriculum accounting educators will find many ideas in the book to help them in enriching their work and accounting education researchers will be able to identify many points of departure for extending the studies on which the papers report whether comparatively or longitudinally this book is a compilation of papers originally published in accounting education an international journal
