Enriched with reflections and comments from authors, audiobook narrators, producers, reviewers, and librarians, this book shows how audiobooks not only benefit struggling readers and bring families together but also fit neatly within newly accepted standards for early literacy education. It demonstrates how to use audiobooks as classroom and library tools for learning, identifies how to locate must-have audiobooks, and offers advice for maintaining a collection, including an overview of the major audiobook awards and lists of additional resources. In stark, intimate prose, the author candidly renders the realities of suffering while articulating a moving message of renewal. Those seeking a faith-based path through grief will find this instructive and affecting. Publishers Weekly: "Like a river, a triumphant story of new life birthed out of tragedy will teach readers how to face their failures, confront their pain, and connect with God, the true source of life." On June 4th, 2019, country music singer Granger Smith was enjoying a final evening with his kids before heading to Nashville for the CMT Music Awards and his next tour. While helping his daughter London with her gymnastics, his youngest son fell into their pool. Granger did everything he could to get to him, but he was too late. River drowned, and Granger's world shattered. The days, weeks, and months that followed River's death sent Granger on a dark and painful journey. Every time he closed his

eyes he replayed the horrific event in his mind and every time he opened his computer he was bombarded by the critique and criticism of people who blamed him for the accident despite his best effort to get back on stage with a smile and song it was all a façade on the inside he was dying fortunately that's not how his story ended and now he is compelled to help people all around the world find strength peace and hope on the other side of tragedy like a river life is full of twists and turns like a river people pollute our world with their critique and criticism like a river tragic events keep us dammed up but like a river we can find the courage to keep moving downstream rivers don't run on their own strength they flow from their source when we try to keep going on our own we won't make it but when we connect to the greater source we will find the strength and the faith to keep living after loss this triumphant story of new life birthed out of death will inspire every reader to live like a river
