this book is meant as a companion volume to the beatles film tv chronicle 1961 1970 and covers the first ten years of the solo careers of the individual beatles from 1971 to 1980 it is the indispensable reference book for every serious beatles video collector with several years worth of research and investigation into the massive amount of film material held in archives around the world the book includes details on over 100 hours worth of solo material with many items covered for the very first time and is fully illustrated with over one hundred and eighty thumbnail images b w taken from a variety of film sources as a bonus the book also includes a chapter of updates regarding recently discovered and new information about films of the beatles as a group during the years from 1961 to 1970 through the years the author has been consulted for several beatles film and book projects including the 2011 martin scorsese documentary george harrison living in the material world

given the phenomenal fame and commercial success that the beatles knew for the entire course of their familiar career their music per se has received surprisingly little detailed attention not all of

their cultural influence can be traced to tong hair and flashy clothing the beatles had numerous fresh ideas about melody harmony counterpoint rhythm form colors and textures or consider how much new ground was broken by their lyrics alone both the themes and imagery of the beatles poetry are key parts of what made and still makes this group so important so popular and so imitated this book is a comprehensive chronological study of every aspect of the fab four s musical life including full examinations of composition performance practice recording and historical context during their transcendent late period 1966 1970 rich authoritative interpretations are interwoven through a documentary study of many thousands of audio print and other sources

in a career full of blond ambition with controversy never far away the music of madonna has often been overshadowed if not sorely overlooked across 14 albums soundtracks and numerous greatest hits collections the undisputed queen of pop has released over 80 singles spanning five decades in this book every released track from her extensive back catalogue is examined in detail with new insights revelations and video information her role as queen of clubs is also duly acknowledged making careful note of the important remixes that have helped her rule the dance floor after her first release 40 years ago in 1982 everybody got her firmly into the groove from 1984 s shiny and new like a virgin to the critical acclaim of 1989 s expressive like a prayer and 1998 s enlightening ray of light from soundtrack work for dick tracy and evita to collaborations with superstars justin timberlake britney spears and dua lipa this truly strikes a pose for any fan of the material girl aka madame x madonna song by song reclaims her stature as not just one of the greatest pop artists ever but also as songwriter producer of some of the biggest selling and most memorable songs of all time
