the accepted narrative of the interwar u s navy is one of transformation from a battle centric force into a force that could fight on the three planes of war in the skies on the water and under the waves the political and cultural tumult that accompanied this transformation is another story ryan d wadle s selling sea power explores this little known but critically important aspect of naval history after world war i the u s navy faced numerous challenges a call for naval arms limitation the ascendancy of air power and budgetary constraints exacerbated by the great depression selling sea power tells the story of how the navy met these challenges by engaging in protracted public relations campaigns at a time when the means and methods of reaching the american public were undergoing dramatic shifts while printed media continued to thrive the rapidly growing film and radio industries presented new means by which the navy could connect with politicians and the public deftly capturing the institutional nuances and the personalities in play wadle tracks the u s navy s at first awkward but ultimately successful manipulation of mass media at the same time he analyzes what the public could actually see of the service in the variety of media available to them including visual examples from progressively more sophisticated and effective public relations campaigns integrating military policy

and strategy with the history of american culture and politics selling sea power offers a unique look at the complex links between the evolution of the art and industry of persuasion and the growth of the modern u s navy as well as the connections between the workings of communications and public relations and the command of military and political power

dark places and little tramps collects juri nummelin s writings on noir hardboiled sleaze and other literary genres of yesteryear the author has written extensively about genre fiction and popular culture for more than four decades but this new volume is the first publication of his writings in english among many other subjects it features a lengthy section on neo noir and writers like gillian flynn allan guthrie jason starr and duane swierczynski he also investigates british spy and crime fiction and includes chapters on western and horror nummelin shines new light to many of these areas such as the largely forgotten topic of sleaze paperbacks

short subject films have a long history in american cinemas these could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts with the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies after the second world war and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s this encyclopedia offers comprehensive listings of american short subject films from the 1920s through the 1950s
