in this accessible study stephen humphreys introduces the most elusive of the early caliphs mu awiya ibn abi sufyan 602 680 notoriously guarded about his thoughts motives and emotions mu awiya was universally known as a figure of immense political acumen beyond this opinions are deeply divided throughout history some have accused him of being the first caliph to diverge from muhammed s model of ideal muslim leadership whilst others credit him with uniting an empire in disarray and transforming the caliphate into a practicable form of government in light of this humphreys critically analyses his sources and seeks to get as close as possible to a historical account of the great man

kematian pasti akan datang menjemput setiap makhluk yang bernyawa kemudian membawa kita menuju kehidupan yang abadi namun sayang momen ini masih kurang di persiapkan oleh manusia bahkan mereka lebih yakin dengan kehidupan duniawi yang terlihat dengan mata sehingga banyak yang menyesal setelah kematian menjemputnya melalui wasiat wasiat yang di tinggalkan oleh rasulullah dan para sahabat terdahulu semoga dapat menyadarkan kita semua untuk kembali ke jalan yang benar yang di ridhoi oleh allah swt

after the control and constant conflict between the roman empire and the persian empire that lasted for hundreds of years new powers rose on the land of the middle east this power was able in a very short time to control many lands of the persian state and also the roman state to the point that the new power was able to completely eliminate the persian empire indeed the new state that the prophet muhammad founded from medina was able to expand and rise to the point that it extended from spain in the west to the borders of china in the east the foundations that the prophet muhammad laid and the rules on which the state was built which were initially based on a religious basis but with time the muslim caliphs did not adhere to this matter and as a result of the control of these caliphs over the land that was under the control of the persians and romans the muslim caliphs began to imitate these princes and rulers whether in the way of dress or even living in palaces and indulging in a life of amusement and luxury which led with time to the loss of some of the values that the muslim caliphs inherited from the prophet muhammad and began to replace it with the love of money and power to the point that some muslim rulers reached the point of causing sedition and conflicts between some rulers for the sake of power and this made the islamic countries enter into long periods of wars conflicts and strikes as a result of the conflict between muslim rulers over power and we will review in this book the most prominent periods of conflicts and wars between muslim rulers throughout the islamic ages

the saga of karbala did not end with the martyrdom of hussain nor did his mission his death was the initiation of a long ordeal faced by the family of imam hussain a s during this ordeal it was the timeless sermons of bibi zainab and the fourth imam sajjad a s which truly pierced the hardened hearts of the people sparked a revolution and introduced change the sermon of lady zaynab and the sermon of imam zaynu l Ābidīn complement one another zaynab s sermon formed the tabarra dimension and imam zaynu l Ābidīn s sermon formed the tawalla dimension the former exposed the real identity of the oppressors while the latter introduced the true pure image of the prophet s family

in this second volume starting with the caliphate of banu umayyah the martyrdom of imam husain r and the caliphate of the abbasids all areas have been covered as far as the expansion of islam was publisher description

the authoritative account of the sectarian division that for centuries has shaped events in the middle east and the islamic world in 632 soon after the prophet muhammad died a struggle broke out among his followers as to who would succeed him the majority argued that the new leader of islam should be elected by the community s elite others believed only members of muhammad s family could lead this dispute over who should guide muslims the appointed caliph or the bloodline imam marks the origin of the sunni shii split in islam toby matthiesen explores this hugely significant division from its origins to the present day moving chronologically his book sheds light on the many ways that it has shaped the islamic world outlining how over the centuries sunnism and shiism became islams two main branches particularly after the muslim empires embraced sectarian identity it reveals how colonial rule institutionalised divisions between sunnism and shiism both on the indian subcontinent and in the greater middle east giving rise to pan islamic resistance and sunni and shii revivalism it then focuses on the fall out from the 1979 revolution in iran and the us led military intervention in iraq as matthiesen shows however though sunnism and shiism have had a long and antagonistic history most muslims have led lives characterised by confessional ambiguity and peaceful co existence tensions arise when sectarian identity becomes linked to politics based on a synthesis of decades of scholarship in numerous languages the caliph and the imam will become the standard text for readers looking for a deeper understanding of contemporary sectarian conflict and its historical roots

unfairly demonized by its adversaries including the sunni arab countries along with the us and eu iran is wary of the world s powers after having been preyed upon to achieve other countries political aims iranians are shia muslims a minority sect comprising only 10 to 15 of the billion plus muslims in the world shias persecution and marginalization began in ancient times after the demise of the prophet of islam in 632 and has continued ever since in modern times their worldwide oppression has been spearheaded by saudi arabia whose religion considers shias to be apostates who deserve to be killed and its allies a persecution that began with the 1979 iranian revolution which was followed by the unprovoked invasion

of iran by iraq in 1980 and the successful defence of this invasion by iran s revolutionary forces building upon this history iran the citadel of shia imams details the alarming aggression of the sunni countries of the middle east against the shia led regimes of iraq syria and yemen a relentless persecution of shia muslims and extreme injustice and aggression towards them the details of which need to be brought to light the unfortunate and reckless support of saudi arabia and its allies by the us and many other western nations has perpetuated a blatant infringement upon the human rights of iranians and shia muslims elsewhere the oppression of iranians continues in the form of toughened us sanctions contrary to international law

the following is the introduction of the author about the book i was motivated to write this book because i saw that a large number of people gave themselves the title shia without respecting this title or being aware of its rights a sensible person is one who knows the value of that which he possesses so he can honour it if it deserves to be honoured and he can treasure it if it deserves to be treasured and he can protect it from anything that will ruin it i intentionally collected the ahadith that reveal the status of the shia the rewards and the honour that allah has prepared for them in the highest levels of paradise and the status of the pious imams in allah s eyes therefore those who read this book will learn with certainty the value of a shia and thereby respect and honour this title and stay committed to their obligatory duties that they have as shia may those who benefit from the contents of this book increasingly pray for me this book is entitled bishrāratul

muḥḥaf le shḥ atil murtaḥḥ the glad tidings of muḥḥafḥ for the shia of murtaḥḥ and i have not included any ḥadḥḥ in it except the most authentic aḥḥḥdith rom the most trusted scholars i seek nothing but to please allah and i ask nothing but the prayers of those who read this book i desire nothing but to attain nearness to the best of the creation the messenger of allah and his purified family the imams of guidance may allah s blessings be on them to the extent of the number of every grain of sand and every stone i ask allah for piety and support for he is the best supporter who with his generosity listens to prayers and grants them
