scattering ashes is a resource for christian families confronting the reality of their loved one s gay lifestyle joyce smith helyer takes the reader on a journey that changed her life when her brother began their midnight christmas eve conversation with these words joyce i have something to tell you as i waited expectantly for what he was going to say next he paused but then shifted the conversation he tried again but the same thing happened i felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach his attempted landings kept falling short of the runway a vague sense of uneasiness began to fill my mind little did i realize that my nice typical christian experience would be undergoing a significant change fear i could barely articulate almost overwhelmed me finally i looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying ron are you trying to tell me you re gay his quiet response echoed across the living room i thought you had it figured out

the federal special prosecutor unprincipled abuser of power or staunch defender of the law as kathy harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence this was especially true she argues during the lengthy expensive and highly politicized investigations of lawrence walsh and kenneth starr into allegations concerning presidents ronald reagan and bill clinton harriger offers the most complete assessment available of the use of special prosecutors in the post watergate era she analyzes the independent counsel s role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor s ability to conduct investigations harriger s previous edition focused on the legacy of watergate but was published

before walsh's iran contra investigations were concluded her new study adds substantially more information on iran contra provides a clearheaded appraisal of starr's sensationalized whitewater lewinsky investigations examines a number of senior level cabinet probes and critiques and clarifies the role of attorney general janet reno in these latter matters a completely new chapter compares iran contra and whitewater lewinsky to explore the limits of the law in the special prosecutor's efforts in this new edition harriger includes 20 new interviews with washington insiders including one with kenneth starr and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999 she then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived for students scholars and concerned citizens her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance
