new york times bestseller a magnificent novel of ancient rome and the tragic life of cicero who tried in vain to save the republic he loved from tyranny in this riveting tale the roman empire in its final glory is seen through the eyes of philosopher orator and political theorist marcus tullius cicero from his birth in 106 bc in the hill town of arpinum cicero the educated son of a wealthy member of the equestrian order is destined for greatness at a young age he discovers the legend of the unknown god the coming messiah and it propels the rising lawyer on a journey of spiritual conflict and self discovery from his tumultuous family life to his tenuous alliance with julius caesar to a fateful love affair with the roman empress livia and finally to the political role that will make him a target of powerful enemies a pillar of iron is the story of cicero s legacy as one the greatest influences on western civilization based on hundreds of speeches voluminous private correspondence and ancient texts and manuscripts this bestselling epic brings into focus cicero s complicated relationships with his contemporaries

including caesar mark antony and crassus and brilliantly captures the pageantry turmoil and intrigue of life in ancient rome according to legendary editor maxwell perkins author taylor caldwell is a storyteller first last and foremost and once you begin reading one of her books you can't help finishing it this ebook features an illustrated biography of taylor caldwell including rare images from the author's estate

cicero has played a pivotal role in shaping western culture his public persona his self portrait as model of roman prose philosopher and statesman has exerted a durable and profound impact on the educational system and the formation of the ruling class over the centuries joining up with recent studies on the reception of cicero this volume approaches the figure of cicero from a biographical more than philological perspective and considers the multiple ways by which different ages reacted to cicero and created their ciceros from cicero's lifetime to our times it focuses on how the image of cicero was revisited and reworked by intellectuals and men of culture who eulogized his outstanding oratorical and political virtues but not rarely questioned the role he had in roman politics and society an international group of scholars elaborates on the figure of cicero shedding fresh light on his reception in late antiquity humanism and renaissance enlightenment and modern centuries historians literary scholars and philosophers as well as graduate students will certainly profit from this volume which contributes enormously to our understanding of the influence of cicero on western culture over the times

at the birth of the united states african americans were excluded from the newly formed republic and its churches which saw them as savage rather than citizen and as heathen rather than christian denied civil access to the basic rights granted to others african americans have developed their own sacred traditions and their own civil discourses as part of this effort african american intellectuals offered interpretations of the bible which were radically different and often fundamentally oppositional to those of many of their white counterparts by imagining a freedom unconstrained their work charted a broader and perhaps a more genuinely american identity in pillars of cloud and fire herbert robinson marbury offers a comprehensive survey of african american biblical interpretation each chapter in this compelling volume moves chronologically from the antebellum period and the civil war through to the harlem renaissance the civil rights movement the black power movement and the obama era to offer a historical context for the interpretative activity of that time and to analyze its effect in transforming black social reality for african american thinkers such as absalom jones david walker zora neale hurston frances e w harper adam clayton powell and martin luther king jr the exodus story became the language world through which freedom both in its sacred resonance and its civil formation found expression this tradition marbury argues has much to teach us in a world where fundamentalisms have become synonymous with authentic religious expression and american identity for african

american biblical interpreters to be american and to be christian was always to be open and oriented toward freedom
