there are defining moments in the life of a nation when a single individual can shape events for generations to come for america

the spring of 1947 was such a moment and jackie robinson was the man who made the difference with these words president clinton contributed to long island university s three day celebration of that momentous event in american history when robinson became the first african american to play major league baseball first published in 1998 jackie robinson race sports and the american dream includes presentations from that celebration especially chosen for their fresh perspectives and illuminating insights a heady mix of journalism scholarship and memory offers a presentation that far transcends the retelling of just another sports story readers get a true sense of the social conditions prior to robinson s arrival in the major leagues and the ripple effect his breakthrough had on the nation anecdotes enliven the story and offer more than the usual larger than life portrait of robinson a mélange of contributors from the sports world academia and journalism some of robinson s contemporaries dodger fans and historians of the era all sharing a passion for baseball reflect on issues of sports race and the dramatic transformation of the american social and political scene in the last fifty years this book is a must read for anyone interested in american sports history and sports in general

jackie robinson s story is not only a compelling drama of heroism but also as a template of the african american freedom struggle a towering athletic talent robinson s greater impact was on preparing the way for the civil rights reform wave following wwii but robinson s story has always been far more complex than the public perception has allowed brooklyn dodgers executive branch rickey famously told the young robinson that he was looking for a ballplayer with guts enough not to fight back j christopher schutz reveals the real robinson as a more defiant combative spirit than simply the turn the other cheek compliant credit to his race the triumph of robinson s inclusion in the white major leagues which presaged blacks later inclusion in the broader society also included the slow demise of black owned commercial enterprise in the negro leagues which likewise

presaged the unrecoverable loss of other important black institutions after civil rights gains examining this key figure at the crossroads of baseball and civil rights histories schutz provides a cohesive exploration of the man and the times that made him great

unlike other books on jackie robinson this book not only profiles his amazing life but also offers valuable lessons drawn from his experiences that can directly apply to practical everyday improvements and personal success

the extraordinary life of jackie robinson is illuminated as never before in this full scale biography by arnold rampersad who was chosen by jack s widow rachel to tell her husband s story and was given unprecedented access to his private papers we are brought closer than we have ever been to the great ballplayer a man of courage and quality who became a pivotal figure in the areas of race and civil rights born in the rural south the son of a sharecropper robinson was reared in southern california we see him blossom there as a student athlete as he struggled against poverty and racism to uphold the beliefs instilled in him by his mother faith in family education america and god we follow robinson through world war ii when in the first wave of racial integration in the armed forces he was commissioned as an officer then court martialed after refusing to move to the back of a bus after he plays in the negro national league we watch the opening of an all american drama as late in 1945 branch rickey of the brooklyn dodgers recognized jack as the right player to break baseball s color barrier and the game was forever changed jack s never before published letters open up his relationship with his family especially his wife rachel whom he married just as his perilous venture of integrating baseball began her memories are a major resource of the narrative as we learn about the severe harassment robinson endured from teammates and opponents alike about death threats and exclusion about joy and remarkable success we watch his courageous response to abuse first as a stoic endurer then as a fighter who epitomized

courage and defiance we see his growing friendship with white players like pee wee reese and the black teammates who followed in his footsteps and his embrace by brooklyn s fans we follow his blazing career 1947 rookie of the year 1949 most valuable player six pennants in ten seasons and 1962 induction into the hall of fame but sports were merely one aspect of his life we see his business ventures his leading role in the community his early support of martin luther king jr his commitment to the civil rights movement at a crucial stage in its evolution his controversial associations with eisenhower kennedy nixon humphrey goldwater nelson rockefeller and malcolm x rampersad s magnificent biography leaves us with an indelible image of a principled man who was passionate in his loyalties and opinions a baseball player who could focus a crowd s attention as no one before or since an activist at the crossroads of his people s struggle a dedicated family man whose last years were plagued by illness and tragedy and who died prematurely at fifty two he was a pathfinder an american hero and he now has the biography he deserves

perfect captures our hearts as it carries us back to the golden age of baseball and the more innocent world of the 1950s doris kearns goodwin pulitzer prize winning author of the bully pulpit on october 8 1956 new york yankees pitcher don larsen took the mound for game five of the world series against the rival brooklyn dodgers in an improbable performance that the new york times called the greatest moment in the history of the fall classic larsen an otherwise mediocre journeyman pitcher retired twenty seven straight dodger batters to clinch a perfect game and to date the only world series no hitter ever witnessed in major league baseball here lew paper delivers a masterful pitch by pitch account of that fateful day and the extraordinary lives of the players on the field seven of whom would later be inducted into the hall of fame meticulously researched and relying on dozens of interviews paper s gripping narrative recreates larsen s feat in a pitching duel that featured legendary figures such as mickey mantle jackie robinson yogi berra and roy campanella more than just the story of a single game perfect is a window into

baseball's glorious past

rebecca ruth deborah and me rachel the joyce girls no we are not jewish but rather irish our mom yes sarah what else was the oldest offspring of a stern fundamentalist presbyterian preacher our grandfather isaiah cummings so opens this wonderful family saga narrated by the youngest rachel the writer this is the story of the four daughters of irish catholic judge joyce a very influential man in brooklyn set in the middle of the twentieth century what a problem their father's catholicism created in the cummings household rebecca the corporate attorney ruth the teacher and homemaker deborah the singer and rachel the author all successful all beautiful but all so different grow with them laugh with them cry with them love with them as they mature from little girls to young ladies to mature women experience their joys their pains their lives and relationships with all the highs and lows you will love returning to an idyllic time a time gone by but very much alive in our memories

this collection of new interviews conducted by the author recounts some of the pivotal moments in the careers of professional baseball players and in american history negro league players leon day buck o neil monte irvin wilmer fields and joe black speak about their experiences on the other side of the color line hank aaron relates how the challenge of breaking babe ruth's home run record was not only on the diamond bob feller cecil travis tommy henrich and jerry coleman describe the effects of world war ii on their careers bobby thomson and ralph branca address the shot heard round the world in the giants vs dodgers playoff of 1951

twin sisters find themselves growing apart as they respond differently to their father's postwar trauma the nascar speedway in their town and their new high school with home life destabilized by her father's post world war ii trauma ellie honeycutt seeks escape at the nascar speedway and in her dreams of travel and college meanwhile her twin sister ida clings to family and finds solace in her sketchbook their close relationship is threatened when they both fall for the same charming classmate at their new high school but a devastating car accident renews the sisters deep bond forcing them to reverse their roles set against the backdrop of the nuclear arms race and the 1952 presidential election this middle grade historical fiction novel is a powerful story of sisterhood and growing up told in the twins alternating voices

if you need to know it it's in this book this ebook version of the 2013 2014 edition of cracking the sat literature subject test has been optimized for on screen viewing with cross linked questions answers and explanations it includes 4 full length practice tests with detailed explanations for all questions a thorough and engaging subject review of prose poetry narrative voice theme meter form tone and more tons of sample passages and drills an updated key terms list

from the author of a season in the sun a memoir from one of america's foremost sportswriters about his life and influences after successful seasons as a newspaperman and magazine writer roger kahn burst onto the national scene in 1972 with his memorable bestseller the boys of summer memorializing the brooklyn dodgers here he wrote a book for the hearts and minds of his readers chronicling his own life into my own is kahn's reflection on the eight people who shaped him as a man a father and a writer into my own is the touching memoir of an unassuming man whose great love of baseball and literature led him into extraordinary experiences opportunities and friendships even amidst great family tragedy and personal difficulty kahn prevailed amongst poets writers politicians and most of all ballplayers in this engaging memoir kahn looks back at baseball and much more

as he presents his episodic reminiscences as free form essays arranged loosely around iconic figures from his past kahn has a graceful personal style full of deftly evoked color and characters with a bit of the newspaperman s hard bitten swagger and a two fisted liberalism one doesn t see much anymore publishers weekly praise for roger kahn as a kid i loved sports first and writing second and loved everything roger kahn wrote as an adult i love writing first and sports second and love roger kahn even more pulitzer prize winner david maraniss a work of high moral purpose and great poetic accomplishment the finest american book on sports james michener on the boys of summer kahn has the almost unfair gift of easy graceful writing boston herald
