draws on the author's ground breaking studies in parent child communication to analyze how today's electronic devices may be reinforcing college age children's dependency on their parents sharing practical

advice on navigating a healthy transition toward emancipation

new technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges clark argues that families experience digital and mobile technologies in their children s lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged based on over ten years of interviews hundres of parents and children the parent app explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need

this volume traces the socialization professional development and career paths of contemporary pioneers in education and psychology through interviews scholars share how their childhood and mentors influenced their theoretical paths and research

this book focuses on the challenges of parenting in the digital age providing a counter narrative to and critique of risk and cyber safety narratives as well as some suggestions for a way forward drawing on qualitative research with australian families this book explores the knowledges practices anxieties and lived experiences of families themselves it demonstrates that the realities of family life in the digital age are more complex than the headlines and cyber safety advice would have us believe as parents grapple with balancing their own anxieties and social expectations about what it means to be a good parent with the practices desires and rights of their child it addresses key questions including how much attention should we pay to media headlines about the dangers of contemporary media what is actually worrying australian parents and how do they address these concerns why do young people love media so much how capable are young people of actually managing online risk what is the right way to parent in the digital age to ensure young people s safety and wellbeing while minimising family conflict aimed at media studies scholars and students as well as parents and policy makers seeking a more comprehensive understanding of the broader academic research surrounding young people media and parenting this book argues that parent and child knowledges practices and experiences must be better accounted for within the online safety ecosystem as well as in policy development and that families need encouragement and guidance to help them adopt more democratic approaches to parenting in the digital age

technology has become ubiquitous to everyday life in modern society and particularly in various social aspects this has significant impacts on adolescents as they develop and make their way into adulthood identity sexuality and relationships among emerging adults in the digital age is a pivotal reference source for the latest research on the role of digital media and its impact on identity development behavioral formations and the inter personal relationships of young adults featuring extensive coverage across a range of relevant perspectives and topics such as self comparison virtual communities and online dating this book is ideally designed for academicians researchers and professionals seeking current research on the use and impact of online social forums among progressing adults

what is your level of understanding of the many moral ideological and political issues that student affairs educators regularly encounter what is your personal responsibility to addressing these issues what are the rationales behind your decisions what are the theoretical perspectives you might choose and why how do your responses compare with those of colleagues contested issues in student affairs augments traditional introductory handbooks that focus on functional areas e g residence life career services and organizational issues it fills a void by addressing the social educational and moral concepts and concerns of student affairs work that transcend content areas and administrative units such as the tensions between theory and practice academic affairs and student affairs risk taking and failure and such as issues of race ethnicity sexual orientation and spirituality it places learning and social justice at the epicenter of student affairs practice the book addresses these issues by asking 24 critical and contentious questions that go to the heart of contemporary educational practice intended equally for future student affairs educators in graduate preparation programs and as reading for professional development workshops it is designed to stimulate reflection and prompt readers to clarify their own thinking and practice as they confront the complexities of higher education student affairs faculty administrators and graduate students here situate these 24 questions historically in the professional literature present background information and context define key terms summarize the diverse ideological and theoretical responses to the questions make explicit their own perspectives and responses discuss their political implications and set them in the context of the changing nature of student affairs work each chapter is followed by a response that offers additional perspectives and complications reminding readers of the ambiguity and complexity of many situations each chapter concludes with a brief annotated bibliography of seminal works that offer additional information on the topic as well as with a url to a moderated

blog site that encourages further conversation on each topic and allows readers to teach and learn from each other and interact with colleagues beyond their immediate campus the website invites readers to post blogs respond to each other and upload relevant resources the book aims to serve as a conversation starter to engage professionals in on going dialogue about these complex and enduring challenges short contentsthe 24 questions are organized into four units i the philosophical foundations of student affairs in higher education explores the implications and complications of student affair educators placing learning at the epicenter of their professional work ii the challenges of promoting learning and development explores the challenges associated with learning centered practice iii achieving inclusive and equitable learning environments addresses crafting learning environments that include students whose needs are often labeled special or students and or student subcultures that are often marginalized and encouraged to adapt to normalizing expectations iv organizing student affairs practice for learning and social justice addresses the organizational and professional implications of placing learning and social justice at the epicenter of student affairs practice

how do we build resilient children who can handle life s challenges as parents today we often feel that our role is to protect our children from the world to cushion them when they fall to lift them over obstacles and to remove sharp rocks from their path but controlling a child s entire environment and keeping all pain at bay isn t feasible we can t prepare the world for our children so instead we should focus on preparing our children for the world the solution is not removing impediments from our children s lives writes krissy pozatek it is compassionately encouraging them to be brave we need to show our kids how to navigate their own terrain if our kids face small hurdles small pains at a young age and learn to overcome these obstacles they will be much better equipped to face larger trouble later in life early lessons in problem solving teach self confidence and self reliance and show us that our kids are tougher than we think krissy draws her lessons from her experience guiding children in wilderness therapy and from her buddhist practice showing us that all life is as unpredictable as mountain weather that impermanence is the only constant and that the most loving act a parent can do is fearlessly ready their child to face the wilderness for parents of children of all ages

schetst een beeld van de app generatie en hoe hun leven verschilt van het leven voor het digitale tijdperk en de goede en slechte kanten van de hedendaagse technologie

this completely revised and updated edition of *don't tell me what to do just send money* prepares parents for the issues that they will encounter during their children's college years since our original publication over ten years ago there has been a dramatic increase in the use of cell phone and internet technology the birth of the term helicopter parent is in part due to the instant and frequent connectivity that parents have with their children today parents are struggling with the appropriate use of communicative technology and aren't aware of its impact on their child's development both personally and academically with straightforward practicality and using humorous and helpful case examples and dialogues *don't tell me what to do just send money* helps parents lay the groundwork for a new kind of relationship so that they can help their child more effectively handle everything they'll encounter during their college years

drawing upon current debates on inequalities in higher education particularly those of race and class and based on a bourdieusian discussion of the relational nature of different capitals and competition for such capitals this must read text explores how black and minority ethnic bme students navigate the university and the relational competition for capitals and status with original accounts of the experiences of bme students in higher education this book draws on interviews with 58 students across three different universities to further understand experiences of how bme students navigate the predominantly white spaces of uk universities it explores how racial inequalities continue to persist in higher education and demonstrates that greater attention needs to be made to the transitions made not just into higher education but from higher education it evidences how types of support offered by different universities to different types of students ensure systemic

disadvantages are reinforced and that career outcomes are embodied and legitimised in students in the practices fostered by their university identifying that racism is not a new phenomenon in uk higher education but that it has adapted to changing socio economic conditions this is a must read book for anyone working in higher education or with an interest in the experiences of bme students through the higher education system

award winning journalist jennifer senior tries to tackle the issue of the effects of children on their parents isolating and analyzing the many ways in which children reshape their parents lives whether it s their marriages their jobs their habits their hobbies their friendships or their internal senses of self she argues that changes in the last half century have radically altered the roles of today s mothers and fathers making their mandates at once more complex and far less clear recruiting from a wide variety of sources in history sociology economics psychology philosophy and anthropology she dissects both the timeless strains of parenting and the ones that are brand new and then brings her research to life in the homes of ordinary parents around the country the result is an unforgettable series of family portraits starting with parents of young children and progressing to parents of teens through lively and accessible storytelling senior follows these mothers and fathers as they wrestle with some of parenthood s deepest vexations and luxuriate in some of its finest rewards all joy and no fun makes us reconsider some of our culture s most basic beliefs about parenthood all while illuminating the profound ways children deepen and add purpose to our lives all joy and no fun is original and essential reading for mothers and fathers of today and tomorrow

this inspiring book presents ten factors to help anyone become stronger and more resilient to life s challenges

a mother daughter writing team reports on what s really up with kids today science writer robin marantz henig and her daughter journalist samantha henig offer a smart comprehensive look at what it s really like to be twentysomething and to what extent it s different for millennials than it was for their baby boomer parents the henigs combine the behavioral science literature for insights into how young people make choices about schooling career marriage and childbearing how they relate to parents friends and lovers and how technology both speeds everything up and slows everything down packed with often surprising discoveries twentysomething is a two generation conversation that will become the definitive book on being young in our time the fullest guide through this territory a densely researched report on the state of middleclass young

people today drawn from several data sources and filtered through a comparative lens the new yorker

nancy hill and alexis redding contest the accusation that today s young people are coddled and immature unearthing studies of college students five decades ago the authors show that the behaviors now decried as markers of stalled development have long been typical of adolescents hill and redding s advice for adults judge less nurture more
