non sonnets places procrastination trails on centre stage split into 14 line segments it captures and re pastes the random google search history results generated during periods in which the author had unsuccessfully committed to attempting to write a traditional sonnet thus it becomes both a visible record of an unwritten sonnet and a sonnet cycle in itself encapsulating the classical form's frustrations in construction concerns and inconsistencies flights of fancy and the general shakespearean unrequitedness of everyday life

literature is at the heart of popular understandings of the first world war in britain and has perpetuated a popular memory of the conflict centred on disillusionment horror and futility this book examines how and why literature has had this impact exploring the role played by authors publishers and readers in constructing the memory of the war since 1918 it demonstrates that publishers were as influential as authors in shaping perceptions of the conflict and it provides a detailed analysis of critical and popular responses to war books tracing the evolution of readers attitudes to the war between 1918 and 2014 by exploring the cultural legacy of the war from these two previously overlooked perspectives vincent trott offers fresh insights regarding the emergence of a collective memory of the first world war in britain drawing on a broad range of primary source material including publishers correspondence dust jackets adverts book reviews and diary entries and examining canonical authors such as wilfred owen siegfried sassoon and vera brittain alongside long forgotten texts and more recent autobiographical works by harry patch and henry allingham publishers readers and the great war provides a rich and nuanced analysis of the climate within which first world war literature was written published and received since 1918
