david pawson is one of the church's most highly regarded leaders and provocative teachers of the last thirty years as both pastor and preacher he has developed a reputation for prophetic biblical insight clarity of expression and uncompromising but loving challenge to christians hearts and minds describing himself as an unorthodox evangelical he has remained faithful to his own vow to be honest with god's word as revealed in the bible no matter what the cost or consequence this has led on some occasions to clashes with those who have held opposing interpretations of scripture not as bad as the truth is david's typically honest fresh and lucid account of his life and teaching it recalls the influences and formative moments of his childhood upbringing and early ministry and concludes with a portrait of the less familiar man behind the teaching david's travels hobbies and interests and the joys and challenges of family life but perhaps this book's greatest legacy will be its summaries of the author's most urgent and significant theology and his fascinating account of the styles and techniques of preaching includes forewords by sir cliff richard and jennifer rees larcombe

David Pawson was widely regarded as one of the finest Bible teachers of our generation. This is a collection of tributes from around the world of David's friends. It contains personal stories of their friendships with David as well as how David's teaching ministry had impacted them and others in the churches in their countries. In these tributes we see

different aspects of david that are not as well known but that have endeared him to his friends what they say about david pawson his life and ministry were well lived and stand as an outstanding example in our day when such things are rare along with thousands of others i thank the lord for having known david and for the seeds of biblical truth he sowed into my life peter tsukahira a gentle and generous spiritual giant dr daniel ho i consider him to be one of the finest teachers of the word of god in our generation pastor yang tuck yoong we celebrate his bible teaching and many om leaders and others listened way back when they were on tapes that went around the world the greatest thing i celebrate is that he persevered through many difficulties and challenges only heaven will tell the story george verwer he avoids religious and theological jargon and understates his sharp intellect and scholarship he is only intent on communicating biblical truth and glorifying christ not himself his teaching style is gentle yet uncompromising you are welcome to challenge him but make sure you have studied all the scripture on the subject before you do justice dr philip pillai whether the angels in heaven will be ready for such a man i don t know i can t imagine they would have met too many people as passionate about truth as david nor as gifted in communicating it dr ian stackhouse

david pawson presents a unique overview of both the old and new testaments

revised and updated to include david s most recent teaching 2014

david pawson has been teaching others the bible for over forty years often during this time when wanting to communicate god s truth more effectively and to breathe fresh life into familiar scripture verses he would paraphrase passages of the bible into colloquial english loose leaves from my bible contains a selection of david pawson s most popular paraphrases with notes about their origin passages from genesis psalms ecclesiastes habakkuk luke and john are included together with the complete books of jude and galatians

the challenge of islam to christians is david pawson s most important and most controversial prophetic message to date moral decline and erosion of a sense of ultimate truth has created a spiritual vacuum in the united kingdom david pawson believes islam is far better equipped than the church to move into that gap and it will not be long before it becomes the country s dominant religion based on the audio and video recordings on which he first announced his message this book unpacks and explains the background behind pawson s claims and crucially sets out a positive blueprint for the church s response christians must rediscover and demonstrate to society the three qualities that make christianity unique reality relationship and righteousness

john is a remarkable gospel utterly different from the other three it reflects the unique insights of the man who was closest to jesus while he was on earth and is full of concern that we should not just know about what jesus did but should also realize who he was it reflects too john s burden the believers in jesus should not be side tracked by erroneous teaching whether concerning jesus identity or the veracity of his claims he wanted believers to be absolutely sure that eyewitnesses jesus own words and his astonishing works all point to one who was truly god come in the flesh the living word the very glory of god among humanity john s collected evidence and proof all make the most compelling testimony to jesus right to demand our on going trust and obedience

you see the full character of christ through the four different portraits in matthew mark luke and john each of them is painting a different picture not a contradictory one but filling it out with a new aspect matthew paints the king of the jews that is his object we now suddenly realise why matthew is the first in the new testament even if it was not the first to be written the answer is that it is the nearest gospel to the old testament the most jewish one that picks up the threads of all that has gone before

unlike paul's other letters this one is not addressed to particular churches or individuals with their own needs and problems even ephesians is not in all the early copies it is a circular despatch covering general matters of belief chapters 1-3 and behaviour chapters 4-6 applicable to all churches and christians everywhere it is one of the clearest statements in the new testament of god's purpose in saving us and is as practically challenging as it is spiritually inspiring perhaps that is why it is such a popular choice for preachers

but i'm not a hebrew so why should i read a letter addressed to jewish believers because the author's warnings and appeals don't go back do go on are needed by christians teetering on the slippery slope of backsliding or simply standing still for the eager believer still running the race this letter offers a new perspective on both the old testament and the lord jesus it answers the crucial question where is he now and what is he doing people saw him as the prophet and will see him as the king but hebrews sees him as the priest we all need yet he is the same yesterday today and for ever

david pawson was widely regarded as one of the finest bible teachers of our generation this is a collection of tributes from around the world of david's friends it contains personal stories of their friendships with david as well as how david's teaching ministry had impacted them and others in the churches in their countries in these tributes we see different aspects of david that are not as well known but that have endeared him to his friends what they say about david pawson his life and ministry were well lived and stand as an outstanding example in our day when such things are rare along with thousands of others i thank the lord for having known david and for the seeds of biblical truth he sowed into my life peter tsukahira a gentle and generous spiritual giant dr daniel ho i consider him to be one of the finest teachers of the word of god in our generation pastor yang tuck yoong we celebrate his bible teaching and many of our leaders and others listened way back when they were on tapes that went around the world the greatest thing i celebrate is that he persevered through many difficulties and challenges only heaven will tell the story george verwer he avoids religious and theological jargon and understates his sharp intellect and scholarship he is only intent on communicating biblical truth and glorifying christ not himself his teaching style is gentle yet uncompromising you are welcome to challenge him but make sure you have studied all the scripture on the subject before you do justice dr philip pillai whether the angels in heaven will be ready for such a man i don't know i can't imagine they would have met too many people as passionate about truth as david nor as gifted in communicating it dr ian stackhouse

the author writes i am willing to unite with anyone who will preach the gospel of paul and have fellowship with them i have been in a roman catholic presbytery with a priest and we spent two hours talking about the gospel of our lord jesus christ and we found that we believed the same gospel i.e. the gospel of our lord jesus christ as preached by paul

basing his study on the new testament david pawson advocates a synthesis of the liberal emphasis on repentance the evangelical on faith the sacramental on baptism and the pentecostal on the spirit he then relates these spiritual dooes to the concepts of conversion and regeneration the normal christian birth looks at crucial and controversial texts challenging traditional interpretations the final section on evangelistic counselling questions the adequacy of the typical sinner s prayer approach drawing from scripture and experience david pawson gives many practical tips on helping potential disciples to repent believe be baptised and receive the spirit

why is the ascension such a neglected area of biblical teaching what exactly happened how did the disciples react why did jesus go back to heaven what did he do next what is he doing now how does all this connect with our lives today david pawson explains why the ascension of jesus can still be a source of inspiration to every christian believer

the author writes the basic questions always begin with why not how people ask how can i be happy how can i make a living how can i get guidance how can i do this they should be asking why should i make a living why should i need guidance science answers the question how again and again but it never answers the question why it may be able to tell us how the world began but it doesn t tell us why and it is the why that is important ecclesiastes is a book to tell you why and that is much more important than how

it must bewilder many christians that teachers and preachers using the same bible can come up with so many different interpretations and more particularly applications of god s word one of the main reasons for this confusion is their handling of the word covenant which is so fundamental to scripture the two key questions are how many covenants has god made with human beings and how many of these apply to christians today some say there is only one the covenant of grace running right through scripture though they might add a second a covenant of works which applied only to adam in eden most think there are two the old and the new corresponding to the old and the new testaments a synonym for covenant others claim to have found seven though they usually call them dispensations this author believes there are five which are basic to the story of our redemption the noahic abrahamic mosaic davidic and messianic only one of these is old and therefore obsolete only one is new but endorses the other three with this insight we can rightly divide the word of truth 2 timothy 2 15 niv has correctly handle see if you agree

gordon t smith contends that a chief cause of spiritual immaturity in the evangelical church is an inadequate theology of conversion surveying scripture spiritual autobiographies and a broad range of theologies of conversion he seeks to foster in the christian community a dynamic language of conversion that leads to spiritual transformation and mature christian living

una encuesta de opinión en gran bretaña encontró que alrededor de las dos terceras partes de la población decía que creía en dios para entender la importancia de este hecho se deberían haber hecho preguntas adicionales en qué dios y qué clase de dios la primera era necesaria por la afluencia de inmigrantes con otras religiones la segunda porque aun entre cristianos las opiniones varían con relación al tipo de dios que adoran mientras el autor estaba preparando una serie de sermones sobre el carácter multifacético de dios se le ocurrió la idea de vincular los atributos divinos con

las letras del alfabeto con la esperanza de que a sus oyentes les resultara más fácil recordarlos todo iba bien hasta la letra x queda al lector decidir si el enfoque fue satisfactorio david pawson tiene un ministerio de enseñanza mundial especialmente para líderes de iglesia es conocido por muchos por programas de radio y televisión cristianos además de ser autor de numerosos libros

a highly acclaimed and fascinating examination of islamic and biblical end time prophecies discover the startling similarities between the biblical antichrist and islam s messiah figure known as imam al mahdi a must read for anyone interested in islam bible prophecy or the underlying spiritual factors behind many of today s current events
