history book

in personal reminiscences of the war of 1861 5 w h morgan offers a poignant and immersive account of the american civil war couched in a reflective tone that blends personal narrative with broader historical insight morgan s prose captures the chaotic essence of battle and the profound psychological toll of war employing vivid imagery and intimate anecdotes that provide readers a window into the lived experiences of soldiers this literary work is situated within the rich tradition of war memoirs yet stands out for its sincerity and the author s ability to convey complex themes of duty honor and the moral ambiguities faced during a tumultuous period in american history as a veteran of the civil war himself w h morgan s firsthand experiences deeply inform his writing his background and encounters during pivotal battles lend authenticity to his reflections making him not just a chronicler of events but also a philosopher grappling with the implications of courage and sacrifice morgan s nuanced understanding of human nature and the impact of war on personal identity further enhances the depth of his narrative this book is highly recommended for readers interested in historical memoirs military history or the psychological landscapes forged by conflict morgan s heartfelt reminiscences provide an essential perspective for those seeking to comprehend the multifaceted realities of the civil war and its enduring legacy on american society

this book is about war not the causes and results not the planning and the campaigns not the artillery and the bombs it is about the heinous crimes committed by the combatants the horrifying experiences of civilians the devastation of cities and villages the killing and the dying the glory leading to revulsion and guilt and the assimilation of suffering that either ends in death or in the triumph of the soul it looks at the

struggle of the church to remain faithful and the servants of the church who seek to bring sense and solace to the victims it discusses antisemitism racism and war itself from biblical perspectives it reveals the unjustifiable reasons for engaging in war and how this brings catastrophic results for all peoples the mental instability of the survivors and the loss and grief of those on the home front in war how can men and women carry out the actions that they do as viktor frankl writes after all man is that being who has invented the gas chambers of auschwitz however he is also that being who has entered those gas chambers upright with the lord s prayer or the shema yisrael on his lips

after the death of its founder in 1865 the society of the sacred heart experienced exceptional recruitment and expansion and departure from france of more than 2500 religious at the beginning of the century its story is that of the thousands of women who joined it to root their lives in its charism in the forty countries where they have been sent they have had to confront liberalism and anti clericalism revolution the effects of nazism and marxism and world wars that destroyed their houses and scattered their members after the second vatican council the elimination of cloister opened new fields of apostolic work to the society this book shows how the congregation developed amid internal crises which did not differ from those in the church and civil society and how from these crises there emerged little by little a new way to be a religious of the sacred heart

raptors of the world is the definitive handbook to this most popular group of birds this new field guide uses all of the illustration plates from raptors of the world with a concise revised text on facing pages to create a conveniently sized lightweight field reference covering all 340 raptor species several of the plates have been reworked and repainted for this guide the book also has an updated colour distribution map for each species much of the extensive introductory material has been retained in this guide with the addition of a complete species list containing all subspecies and brief details of their ranges armed with this guide birders will be able to identify with confidence any raptor encountered anywhere in the world

official records produced by the armies of the united states and the confederacy and the executive branches of their respective governments concerning the military operations of the civil war and prisoners of war or prisoners of state also annual reports of military departments calls for troops correspondence between national and state governments correspondence between union and confederate officials the final volume

includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published accompanied by an atlas

published in 1997 this volume is a collection of seminal articles on a theme of central importance in the study of transport history selected from the leading journal in the field containing articles selected by a distinguished scholar as well as an authoritative new introduction by the volume editor the book will form an essential foundation to the study of the history of shipping

myths of the cold war amending historiographic distortions provides a corrective for the distortions and omissions of many previous domestic and foreign including russian studies of the cold war especially those published since 2000 the present interest motivation in weeks s analysis is gaining a clear understanding of the bi polar 4 trillion nuclear war threatening standoff that lasted over 40 years after world war ii until the demise of the soviet union in 1991 without such knowledge and understanding of this dangerous conflict any future encounter of the cold war type with another nation state is liable to be construed in confusing ways just as the u s soviet cold war was the consequence of such misunderstanding in the historiographic sense as well as in policy making at the highest level is that the populations of the contending powers will have distorted conceptions of the reasons for the confrontation the result of this in turn is skewed tendentiousness that masks concrete underlying causes of intense inter state contention practical benefits thus flow from an unprejudiced analysis of the past cold war with communist russia this understanding can help prevent a future conflict such as one with communist china which some reputed sinologists are currently predicting as well as one with post soviet russia conversely if a new cold war is imposed on the west a clearer understanding of the post world war ii archetypical cold war will be edifying

a companion to the war film contains 27 original essays that examine all aspects of the genre from the traditional war film to the new global nature of conflicts and the diverse formats that war stories assume in today s digital culture includes new works from experienced and emerging scholars that expand the scope of the genre by applying fresh theoretical approaches and archival resources to the study of the war film moves beyond the limited confines of the combat film to cover home front films international and foreign language films and a range of conflicts and time periods addresses complex questions of gender race forced internment international terrorism and war protest in films

such as full metal jacket good kill grace is gone gran torino the messenger snow falling on cedars so proudly we hail tae guk gi the brotherhood of war tender comrade and zero dark thirty provides a nuanced vision of war film that brings the genre firmly into the 21st century and points the way for exciting future scholarship

unique in its genre and content the war scroll 1qm presents a vision of an impending eschatological war although originally interpreted as being the product of a single author from the qumran sect the composition s inconsistencies quickly led to the view that it is in fact an eclectic document with an elaborate compositional history yet all such theories were formulated prior to the publication of war scroll like texts from caves 4 and 11 a careful re examination of the war scroll suggests instead that what began as a primitive and cohesive composition from the hellenistic period about a two stage conquest of the world was eventually updated in order to fit the new historical realities faced by the sectarians under roman rule

this multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports sports around the world history culture and practice provides a unique global overview of sports and sports cultures unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world regions for example latin america and the caribbean the middle east and north africa europe and oceania in order to provide a more global perspective these essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies spanning topics as varied as modern professional cycling to the fictional movie rocky to the deadly ball game of the ancient mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world the fourth volume provides a compendium of information on the winners of major sporting competitions from around the world readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts the entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike additionally the four volume sports around the world spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player

the question of where we come from and where we are going is one of the elementary challenges of life perhaps it is the question of life only when we get an answer to it do we learn who we are so begins how the world began a book that asks the most fundamental of all questions who are we and what did god intend us to be despite perhaps even because of the immense technological advances of our time and the frightful consequences for the human race of the misuse of that power humanity is brought face to face time and again with the essential problem that has haunted us since the beginning of time the mystery of good and evil helmut thielicke's work in these sermons on the first eleven chapters of genesis is thought provoking and exceptionally powerful
